General.
Account

Read the following paper:—

No. 48. From Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, General Branch, dated Chepauk, 30th January 1879, No. 444 W.

In continuation of my letter, No. 297 W, of the 3rd October 1878, I have just learned from the makers of the Type-writing Machines that they are constructing a machine with both capital and small letters.

2. This will be so great an improvement on the present machines that it would seem inadvisable to take any further action in the sense of my previous letter until some experience has been gained of the Type-writing Machines in their improved form.

No. 49. ORDER THEREON, 6th February 1879, No. 382 W.

COMMUNICATED to all Departments of the Government Secretariat in continuation of G.O., No. 4,011 W, dated 15th October 1878.
