GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

7th February 1879, No. 386 W.

General.
Establishment.

Read the following paper :—

No. 50. From the Acting Superintending Engineer, First Circle, to the Chief Engineer, Public Works Department, dated Dowlaishvaram, 29th January 1879, No. 73 GM.

With reference to copy of Court's Proceedings, dated 25th November 1878, No. 3,141, received from the Executive Engineer in charge of the Ganjam Division with his letter, dated 6th instant, No. 38, both herein enclosed for information, I have the honor to request orders of Government as to whether the Kimedi Estate Public Works, now under the supervision of the Public Works Department Officers, are to be transferred to the Revenue Department.

2. I would also ask for instructions as to whether the services of V. Narrain-swamy Naidu, Overseer, 3rd Grade, and his office establishment for whom the Court are paying pensionary contribution monthly from Estate funds are now to be recalled from Estate works. This Overseer with his office establishment was transferred from the regular establishment of the department by the late District Engineer of Ganjam when the Estate works were placed under his orders.

Proceedings of the Court of Wards, dated 25th November 1878, No. 3,141.
From G. D. LEMAN, Esq., Collector of Ganjam, to the Acting Secretary to the Court of Wards, dated Chetterspore, 1st November 1878, Supplemental No. 115.

With reference to the Court's Proceedings, No. 2,523, of the 12th September 1878, I have the honor to report that Mr. Jennings, Assistant Engineer, assumed charge of the Purla Kimedi Public Works on the 8th instant.

2. He will, I believe, be no longer subordinate to the District Engineer, and his progress reports, &c., will be sent to me through the Principal Assistant Collector, who is in immediate charge of the Purla Kimedi Estate. I request the Court's authority to provide him with money from the Estate funds on his application to be made direct to me from time to time, generally once a month.

3. I propose also that the Court should ask the Controller to refund the money placed at his credit by Proceedings, No. 1,655, dated 17th June 1878. I will arrange with the District Engineer for the settlement of accounts of money now in his hands.

The Collector is authorised to place the Kimedi Estate Engineer in funds as he deems advisable, and the Accountant-General will be requested to arrange for a refund of so much of the allotment made in Board's Proceedings, dated 17th June 1878, No. 1,655, as is available after deducting credits issued.

Acting Secretary.
