GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

7th February 1879, No. 394 W.

General.
Account.

Read the following paper:—

No. 62. From Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, General Branch, dated Chepauk, 3rd February 1879, No. 445 W.

I HAVE the honor to forward herewith copy of a letter from the Executive Engineer, Presidency Division, submitted with an endorsement from the Superintending Engineer, Third Circle, No. 313, dated the 20th January 1879, applying for a sum of Rupees 3,567 for the payment of wages due to coolies in the month of January 1879.

2. According to G.O., No. 2,564, dated the 20th December 1878, funds to meet outlay on works can only be granted under Local. But as no Local Fund works have been undertaken in the Presidency Division, and as a sum of Rupees 2,987 was available under "Special," I have considered it necessary from the pressing nature of the demand to grant Rupees 3,500, and I trust that the Government will confirm the action I have taken.

From Lieutenant S. C. PLUMMER, Assistant Engineer, in charge Presidency Division, to the Superintending Engineer, Third Circle, dated Madras, 7th January 1879, No. 5,500.

I HAVE the honor to inform you that coolies who have done work and to whom wages are due up to the date of the receipt of the order restricting further expenditure on works trouble their Overseers very much for the disbursement of the wages due to them.

I therefore request your early orders to enable me to disburse the wages as it is very difficult to overcome the trouble of the coolies as they will not listen to anything in consequence of the Pongal feast which is fast approaching.

The amount that is required to be disbursed for cooly wages is Rupees 3,567.

No. 313.

TRUE copy forwarded to the Examiner of Public Works Accounts, with request that the necessary funds may be supplied to the Divisional Officer, Presidency, to meet the payment due to the coolies. It would appear that, owing to the custom prevailing in that division of paying the coolies twice a month, so large a sum as Rupees 3,567 has come to be due.

20th January 1879.
