GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

8th February 1879, No. 400 W.

General.
Account.

Read the following paper:—

No. 66. From the Superintending Engineer, Fourth Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 3rd February 1879, No. 287-72.

I HAVE the honor to inform you that the Local Fund Board of Coimbatore have sent me a list of works (forwarded) they have sanctioned for execution under G.O., No. 73, dated 17th January, and that I have authorized the Division Officers to commence the repairs and to make advances to the Civil Officers on account of the works to be done by them.

2. I am now in the receipt of G.O., No. 329 W, dated 29th January 1879, and from this order it would appear that there is no money available in Coimbatore Circle, as G.O., No. 163 W, dated 13th January, distinctly lays down that the normal value of Local Fund work executed by famine labor since 1st April last is to be debited against Local Fund income of 1878-79.

3. I request to be informed, as soon as possible, if I am authorized to order the expenditure of Rupees 12,395, or if I am to stop it at once.

4. G.O., No. 73, dated 17th January, in sanctioning the expenditure directed that the amount considered available should be reported before any large expenditure was incurred; this has been reported by the Collector through the Board of Revenue.

I have the honor to inform you that the Local Fund Board of Coimbatore have sent me a list of works they have sanctioned for execution under G.O. 3. I request to be informed as soon as possible if I am authorized to order the Expenditure of Rs 12,395 or if I am to stop it at once.

4. G.O. No 73 dated 17th January in sanctioning the Expenditure directed that the amounts considered available should be reported before any large expenditure was incurred, this has been reported by the Collector through the Board of Revenue.
