GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

12th February 1879, No. 433 W.

Buildings and Roads.
Civil Works.

Read the following paper:—

No. 102. From F. N. THOROWGOOD, Esq., M.I.C.E., Superintendent, Madras Harbour Works, to the Secretary to Government, Public Works Department, Buildings and Roads, dated Madras, 25th January 1879, No. 66 W.

I HAVE the honor to forward, herewith, copy of a letter from the Examiner of Public Works Accounts, No. 79 X, dated 17th May 1877, in which he recommends that a Cashier be sanctioned on this office establishment.

2. I was for some time anxious to try to do without a Cashier, but I find that the work of keeping all the numerous forms of accounts required by the Examiner takes up such a large amount of the Accountant's time that it is impossible for him to attend to the fortnightly muster rolls for payment of the large number of hands employed on the works without allowing the keeping of the forms of accounts to fall into arrear.

3. It appears to be essential that all the Public Works forms should be adhered to on these works so far as accounts are concerned, and in order that this may be done a Cashier must be appointed temporarily.

4. I do not know what the regular salary for such an officer should be, but I should suppose that there is a regular scale of pay for such appointments probably varying with the amount of money to be disbursed. The monthly payments from muster roll in cash to Harbour Works employes (exclusive of those paid by cheque) amounts to about Rupees 9,000, and the fortnightly payments from muster roll to about Rupees 2,100 average. These sums would be the greatest amount of cash that the Cashier would have in hand at one time.

5. It would be necessary that the Cashier should deposit security as directed by the Public Works Code, Chapter VI, paragraphs 1 to 7, and with regard to the amount of this security as well as the rate of monthly salary I would ask to be directed by the Chief Engineer, Public Works Department.

From Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Superintendent, Madras Harbour Works, dated Fort St. George, 17th May 1877, No. 79 X.

With reference to your remarks against question and answer No. 51 of the Transfer Report received with your letter, No. 2 C, dated 6th April 1877, I have the honor to suggest the expediency of your obtaining the sanction of the Madras Government to the appointment, temporarily, of a Cashier for the Harbour Works—Vide Public Works Code, Chapter XVII, Section I, paragraph 41.

No. 103. ORDER THEREON, 12th February 1879, No. 433 W.

THE entertainment of a temporary Cashier for the Harbour Works, on a monthly salary of Rupees 40, is sanctioned.

2. The Superintendent should require him to furnish security to the extent of Rupees 2,000, either cash or Government paper.
