Read the following paper :—

No. 175. From G. T. WALCH, Esq., Acting Superintending Engineer, First Circle, to the Chief Engineer, Public Works Department, dated Dowlaishvaram, 12th February 1879, No. 113.

WITH reference to G.O., No. 329 W, of 29th January 1879, and G.O., No. 4,858 W, of the 27th December 1878, I have the honor to request you will be good enough to inform me whether the permission to incur expenditure in January, February, and March to one-third of the amount of unspent balances of allotments at end of December 1878 is to be considered as applicable to Local Fund works for which sums are allotted by the Local Fund Board and the Board of Revenue after the end of December; for instance, (1) in Proceedings of the Board of Revenue, No. 794, of the 28th January 1879, Rupees 550 are allotted for constructing out-houses to the travellers' bungalow at Narsannapet in the Ganjam District. May Rupees 183 be spent on the work in the current year.

2. Again, in a letter to my address, the Vice-President of the Ellore Circle states that the Local Fund Board have sanctioned an estimate, amounting to Rupees 903, for repairing and improving streets in the Narsapur town from the budget allotment for 1878-79 under the head Other Agency, and requested to issue orders for carrying out the work. May Rupees 301 be spent on the work in this year.

No. 176. ORDER THEREON, 20th February 1879, No. 531 W.

THE Superintending Engineer's attention will be drawn to the Government Orders quoted in the margin, which, in supersession of previous orders on the subject, authorise the expenditure in non-famine districts of as much as possible of the allotment available for Local Fund works, regard being had to the unexpended balances of Local Fund receipts.

2. The Superintending Engineer should therefore communicate with the President, Local Fund Board, before incurring any further expenditure on Local Fund works.
