General.
Establishment.

Read the following paper :—

No. 19. Endorsement of the Acting Superintending Engineer, Third Circle, dated St. Thomas' Mount, 24th February 1879, No. 924.

From W. C. DEMORGAN, Esq., Assistant Engineer, Vellore, to the Superintending Engineer, Third Circle (through the Executive Engineer, Vellore Division), dated Vellore, 20th January 1879.

I HAVE the honor to bring to your notice that on being ordered by an urgent telegram from Government to Salem from the Vizagapatam District I brought two horses and a tent with me ready equipped for duty.

2. As I now learn that the Examiner of Public Works has disallowed a similar charge made by Lieutenant Dobson, R.E., because under similar circumstances the sanction of Government was not first obtained by him, I beg that the sanction may be applied for to save delay in auditing the bill when I send it in with January travelling allowance bill.

3. I may mention that before I left Vizagapatam I telegraphed to Government for the necessary permission, but I did not obtain an answer at that time.
