Civil Works.

Read the following paper:—

No. 112. From the Acting Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 1st March 1879, No. 928.

With reference to paragraph 2 of G.O., No. 370 W, dated 5th February 1879, Public Works Department, I have the honor to forward a letter in original received from the Superintendent of Police, Nellore, No. 191, dated 23rd February 1879, explaining the circumstances under which the advance therein alluded to was made. This course was adopted as necessary to secure the services of workmen who were sent from a distance, and if once disbanded it would have been difficult to get them together again without extra expenditure.

From W. J. A. SULLIVAN, Esq., Acting Superintendent of Police, Nellore, to the Assistant Inspector-General of Police—through the Deputy Inspector-General—dated Nellore, 23rd February 1879, No. 191.

With reference to your foot-note No. 736, dated 21st instant, on a copy of G.O., No. 370 W, dated 5th February 1879, I have the honor to submit an explanation as follows.

2. Rapur, where the reconstruction of Police lines has been going on for some months past, is an isolated place where skilled labor is not at all procurable. The consequence was that bricklayers and carpenters had to be summoned from Nellore and other distant places to carry on the work.

3. The work progressed rapidly so long as funds were available, but on these becoming almost exhausted the workmen displayed signs of discontent and a desire to return to their homes. I foresaw the difficulties that would arise in securing again the services of these men if they were once allowed to leave the work; I therefore determined on the advisability of letting the work go on uninterruptedly to completion. With this object in view, and knowing full well that I could recover the amount before any considerable lapse of time, as a transfer of funds had been ordered from the Madura District, I advanced the sum of 260 rupees from my permanent advance fund.

No. 113. ORDER THEREON, 6th March 1879, No. 695 W.
