Read the following paper :—

No. 181. Endorsement of the Under Secretary to Government, Military Department, dated Fort St. George, 6th March 1879, No. 1,243.

From Colonel C. S. ELLIOT, Commissary-General, to the Secretary to Government, Military Department, dated Madras, 5th March 1879, No. 10,581.

WITH reference to letter, dated 3rd July 1878, from this office, and Proceedings and Order of Government, Public Works Department, dated 26th November 1878, I have the honor to report that the improvements to the Infantry Barrack quadrangle at Bellary have not yet been completed. The work was commenced, but as it has been left unfinished by the Department Public Works, the Executive Commissariat Officer is unable to use it as a store-room. He has urged the completion of the work, but in consequence of orders of Government putting a stop of all public works on building, the Brigadier Commanding the District proposes waiting till the revised budget is published after 1st April next.

No. 2,956.

No. 4,512, communicated by the Military Department in No. 6,772, dated 10th December 1878.

2. Major Laughton states that he is deprived of his best malt liquor godown just as the hot season is coming on, when it is of the utmost importance that the liquor should be well stored to prevent heavy wastage, and as the store flooring has been removed and river sand a foot deep substituted, he requests that, as it is impossible to roll casks, the store flooring may be relaid at once. I enclose copy of the Executive Officer's letter on this subject.

No. 425, dated 24th February 1879.

From Major A. F. LAUGHTON, Deputy Assistant Commissary-General, to the Commissary-General, dated Bellary, 24th February 1869, No. 425.

I HAVE the honor in reference to your letter* and G.O. No. 6,780, dated 8th December 1878, calling for a quarterly report upon improvement in malt liquor godown, and in continuation of my No. 283, dated 19th December 1877, No. 404, dated 15th March 1878, No. 117, dated 15th June 1878, to report that the malt liquor godown in the Infantry Barrack quadrangle has not yet been completed.

The work was commenced, but left unfinished by the Department Public Works and now its unfinished state is useless so much so that I am unable to use it as a store-room.

I have urged the completion of the work; but, in consequence of orders of Government putting a stop to all public works on buildings, it cannot be done. I have urged the Brigadier-General Commanding to obtain the special sanction of Government, but he proposes waiting until the revised budget has been published after 1st April next.

Meanwhile I am deprived of my best malt liquor godown just as the hot season is coming on, when it is of the utmost importance to prevent heavy wastage that the liquor should be well stored.

* No. 7,286, dated 12th December 1877.

The store flooring has been removed and river sand a foot deep substituted, upon which it is impossible to roll casks.

All I ask for at present is that the store flooring should be relaid.

TRANSFERRED to the Public Works Department for the early consideration and orders of Government.

No. 182. ORDER THEREON, 14th March 1879, No. 773 W.

THE Government regret that the demands on the Reserve for 1878-79 have been so numerous as to leave little or nothing for further appropriations. The work in connection with the Commissariat malt liquor godown in the Fort at Bellary may, however, be proceeded with as emergent; arrangements being made for meeting liabilities incurred during 1878-79 in 1879-80. The amount of such liabilities should be brought forward together with the demand for 1879-80 in the statement to be submitted by the Superintending Engineer in April next.
