THE Government observe that, under the orders quoted in the margin, a revised budget will not be necessary for Local Fund works in non-famine districts, the expenditure on which is to be limited by the year's grant in each circle, subject to any deductions necessary in respect of short receipts of Local Funds.

2. As it is understood that the amount required by the Superintending Engineer, First Circle, to meet expenditure incurred during 1878-79 on emergent repairs to roads in the Vizagapatam Division, has been provided by the Local Fund Board, it will be sufficient if an intimation to this effect be made to the Examiner of Public Works Accounts through the Board of Revenue.
