No. 191. Endorsement of the Superintending Engineer, Fourth Circle, dated Coimbatore, 10th March 1879, No. 710-166.

From Major J. L. L. MORANT, R.E., Executive Engineer, Nilgiris, to the Superintending Engineer, Coimbatore, dated Ootacamund, 5th March 1879, No. 87.

I HAVE the honor to inform you that the following estimates for repairs, &c., executed to the buildings at Norwood Government House for the occupation of His Grace the Governor and staff last year were submitted to Government for sanction and provision of funds with my letter, No. 196, dated the 27th July 1878. The Chief Engineer in his memorandum, No. 3,530, of the 10th August last, ordered that these estimates should be sanctioned by the District Engineer as they were within his own powers of sanction. The order was obeyed and the estimates in question, amounting to Rupees 5,260, were sanctioned by me as District Engineer in August 1878. Funds being not available I applied to Government in my letter, No. 214, dated the 13th idem, but no reply has as yet been received. The expenditure was met from the grant of Rupees 58,200 for Norwood Government House for new works. I beg, therefore, to request that you will be so good as to separate the sum of Rupees 5,260 from the above grant of Rupees 58,200, and to appropriate that sum to these estimates under Provincial Repair, leaving the balance of Rupees 52,940 for Government House, Original Works:—
