No. 209. From the Chief Engineer for Irrigation, dated 6th March 1879, No. 13 E—W.

MEMORANDUM.

THE widow of the late Supervisor Sergeant Chapman, who was employed under me in the Kistna District for some years, has applied to know if her travelling expenses from Bezwada to Madras will be allowed.

2. Sergeant Chapman was employed on the extension of the Commamur Canal and the Rompairoo drain, when these works were taken up for famine relief, and in consequence, probably, of exposure and hard work he suffered very much from fever, from the effects of which he had not recovered when he was attacked with cholera and died. He was a very intelligent and energetic officer, and did excellent work.

3. Mrs. Chapman has come down to Madras, where she has some relatives, and states that the actual travelling expenses of herself and two children from Bezwada to Madras amounted to Rupees 58-8-0.

4. As Government have previously granted travelling expenses to widows of non-commissioned officers under similar circumstances I hope that Mrs. Chapman's request will be acceded to. She has been left without any provision.
