Account.

Read the following paper:—

No. 285. From the Acting Superintending Engineer, First Circle, to the Chief Engineer, Public Works Department, dated Dowlaishvaram, 22nd February 1879, No. 241 K.S.

With reference to orders noted in the margin, I have the honor to request instructions as to whether belts and badges may be supplied to all messengers in the Department Public Works offices, sanctioned in the reorganization G.O., No. 3,674, of 18th September 1878; and if so, whether those already supplied in past years can be utilised, indents being submitted for any excess required.

No. 286. ORDER THEREON, 24th March 1879, No. 880 W.

THE Government observe that, under the orders quoted in the margin, Superintending Engineers are authorised to sanction indents for the supply of belts, &c., for all messengers employed on the several office establishments in each circle.

2. The number of belts and badges hitherto in use in the several District and Divisional Offices may probably be more than sufficient for the messengers employed in the offices of the Superintending Engineers and Executive Engineers under the new organization.
