Read the following paper :—

No. 321. Endorsement of the Additional Under Secretary to Government, Revenue Department, dated Fort St. George, 24th March 1879.

From J. F. PRICE, Esq., Collector of the Chingleput District, to the Acting Secretary to Government, Revenue Department, dated Saidapet, 20th March 1879, No. 175.

WITH reference to G.O. in the Public Works Department, No. 415 W., of the 10th February last, communicated with G.O., Revenue Department, No. 522, dated 3rd instant, I have the honor respectfully to point out that the total sum required for compensation for the lands taken up for the Southern Extension of the Buckingham Canal is Rupees 6,000, as indicated by items (a) and (b) in my letter embodied in the first of the above Government orders.

2. Item (a) named in the above letter represents cases in which it has only been settled what amount should be paid as compensation, and not cases in which payment has been made. Item (b) is an *estimate* of the amount required in cases in which the exact sum to be paid has yet to be determined, and item (c) is the annual loss of revenue to Government on the lands taken up and does not represent money payable to any claimants.

3. As the appropriation sanctioned in G.O., No. 415 W., only embraces these latter items, it seems to me that Government have understood item (a) to refer to cases in which nothing remains to be paid, and items (b) and (c) to cases in which compensation has to be paid. This, however, is not the case, and I therefore request that an appropriation of Rupees 6,000 being the total of items (a) and (b) may be sanctioned in lieu of the amount sanctioned in the Government Order under reference.

TRANSFERRED to the Public Works Department with reference to G.O. in that department, No. 415 W., dated 10th February 1879.

(Signed) G. STOKES,
Addl. Under Secy. to Govt.

No. 322. ORDER THEREON, 27th March 1879, No. 929 W.

As it would appear from the Collector's letter that no payments have yet been made on account of compensation for land taken up for the Southern Extension of the Buckingham Canal in the Chingleput District, the funds (Rupees 6,000) now applied for will be provided from the Provincial Reserve of 1879-80.

2. The Superintending Engineer, Third Circle, will include the amount in the statement of demands due in April next.

3. The appropriation of Rupees 2,294 made for the purpose in G.O., No. 415 W., dated 10th February 1879, will be cancelled, and the amount added to that sanctioned in G.O., No. 875 W., dated 24th March 1879, for compensation for land taken up for the section of the canal in the Nellore District. The balance to be held over for adjustment in 1879-80 will thus stand at Rupees 12,241.
