ORDER THEREON, 28th March 1879, No. 953 W.

THE Superintending Engineer, Second Circle, will direct the Executive Engineer concerned to refund the sum of Rupees 12-12-10, being the expenditure incurred in improving the Cemetery at Nellore, in excess of the receipts realized by the Church Committee.

2. The charge will be debited to Provincial against general savings on the grant under that fund.

3. The Accountant-General will be requested, in the Ecclesiastical Department, to issue the necessary instructions to local Civil Officers to insure the prompt and regular payment into the treasury of all Church and Cemetery fees and their being credited to the proper head of account, viz., "Provincial Service, Public Works Revenue."

Cemetery at Nellore.—Directs the refund
of Rupees 13-12-10 being the excess expen-
diture incurred in improving the — in
excess of the receipts realized by the Church
Committee.

has been effected at a comparatively small cost, we hope that you will consider us to be reimbursed the Rs 12.12.10 paid by us in excess of our receipts. We have ascertained that the amount at the credit of the fund in the Treasury is Rs 71.14.0

The nature of the work that has been done is thus described in a letter written by us to the Domestic Chaplain last May: "Doctor Rose as Superintendent of the Jail has been able to devote an immense amount of prison labour to the Cemetery so that for the comparatively small expenditure we have mentioned (Rs 84.11.8) it has been changed from a desolate squalid disorderly looking place into a neat grave-yard. Two walls, 12 feet in diameter & more than 30 feet deep, have been dug and lined with masonry. Wild shrubs have been cleared away. The ground

which was full of unsightly pits and hollows has been levelled, & the half which has not yet been used has been covered with silt & sown with Kharriati grass which will yield a considerable income in favour of the prison.

Acting Chief Secretary to Govt.

No. 26.

Sir,
1. I have the honor to forward to
Govt. a letter from the Church (see
at Nellore, submitting a bill for
Rs 4. 11. 8. for expense incurred
in improving the Cemetery at that
station.

2. The Committee state that the
improvements were commenced
with Cemetery fees, and money realized
by the sale of ~~land~~ ^{land} by from the Cemetery,
paid in to the hands of D. Raghoo
Rao, one of the day Trustees, amounting
to Rs 20. 12. 10, and Rs 14. 12. 10,
and Rs 10. 12. 10, in ignorance of the
G.O. requiring all sums realized
from Cemetery fees, to be produced to the
Cemetery, to be paid in to the Govt.
Treasury, and prohibiting all
disbursements from ~~the funds~~ ^{the funds}
these funds without the previous
sanction of Govt.

3. The Church Committee have
submitted Rs 12-12-10 in receipt
of the amount received by D. Raghoo
Rao, and they request that Govt. will
refund this receipt. The amount

Enc. in No. 229

June 15, 1879

stated to be at the credit of the Cemetery fund in the Treasury is \$71-14-10.

4 The proceeding of the Church Committee in expending money realized from the Cemetery without previous sanction of God was irregular, but I trust that, as Dr. Ross has greatly improved the ~~Cemetery~~ conditions of the Cemetery by employing one of them, and therefore the work has been done at a cheap cost, God will excuse the irregularity, and refund to the Church (less the balance of \$12.12.10 still due to them).

5 The Cemetery is now in very decent order, and has been sown with haruoli grass which will yield a considerable income in favorable seasons.

I remain Sir

Your obed. servant
