LOCAL FUNDS.

Memorandum on the Finance Accounts ~~of the Local Funds~~ for the year 1879-80.

COMMENCING from the year 1878-79 these accounts have been divided into Incorporated Local and Excluded Local Funds. The several accounts and schedules appertaining to each of these sections submitted with this memorandum are the following:—

Incorporated Local Funds. s/caps

Part I.—Account of Appropriation.
Do. II.—Detail of additional Grants and Reductions.
Do. III.—Schedule of Expenditure on Original Works.
Do. IV.— Do. do. on Repairs.
Account of Revenue.

Excluded Local Funds. s/caps

Part I.—Account of Appropriation.
Do. II.—Detail of additional Grants and Reductions.
Do. III.—Schedule of Expenditure on Original Works.
Do. IV.— Do. do. on Repairs.
Statement of Original Works above Rs. 2,500 each, completed during the year.

Leave same space here as between "Account of Rev & Excluded Local Funds"

Incorporated Local Funds.

2. The Original Budget grants for the departmental heads amounted to Rs. 33,62,126, apportioned as follows:—

	RS.
Original Works	6,22,564
Repairs	20,41,232
Establishment	6,06,654
Tools and Plant	91,676
Total ...	33,62,126

This amount was augmented during the year by a net addition of Rs. 5,61,009 brought out in Part II, as per statements rendered monthly to the Accountant-General, Madras, and accepted by that officer as correct. The final grant at the close of the year thus stood at Rs. 39,23,135, a comparison of which with the actual outlay is shown in the following table:—

—	Final Grant.	Outlay.	OUTLAY.	
			More.	Less.
	RS.	RS.	RS.	RS.

3. An analysis of the ~~savings~~ Outlay against the service heads under Original Works and Repairs exhibits the following results :—

—	Final Grant.	Outlay.	Savings.
	RS.	RS.	RS.
Original Works.			
Civil Buildings … … … … … …	2,03,133	56,355	1,46,778
Communications … … … … … …	7,09,861	3,08,560	4,01,301
Miscellaneous Public Improvements … … …	35,905	13,882	22,023
Total …	9,48,899	3,78,797	5,70,102
Repairs.			
Civil Buildings … … … … … …	65,108	35,869	29,239
Communications … … … … … …	19,99,778	16,33,024	3,66,754
Miscellaneous Public Improvements … … …	1,09,729	72,735	36,994
Total …	21,74,615	17,41,628	4,32,987

It will be seen from the above that the larger portion of the savings falls under "Original Works," "Civil Buildings" and "Communications," and "Repairs," "Communications." It is unnecessary to go more minutely into these savings, as the cause is no doubt attributable to the important changes in the department, whereby the establishment has been reduced and Local Funds works have been transferred to the care of the Local Fund Boards.

7. *Revenue.*—The receipts of the year as per separate account of revenue amount to Rs. 3,887 which is much below the amount credited in the previous year which included ferry and road receipts realised by the Civil Department. Under instructions from the Government of India in letter, No. 33-A I., of 2nd March 1880 (Madras G.O., No. 992 W., of 21st April 1880), it was decided that the budget estimates and accounts of the Public Works Department should not include receipts and charges collected and paid by the Civil Department, and hence transactions of this nature have been excluded from the Public Works Accounts for 1879-80.

Excluded Local Funds.

THE budget grant for this section of the Local Funds Accounts was Rs. 1,00,752, supplemented during the year by a net addition of Rs. 18,576, which brought up the final grant to Rs. 1,19,328, distributed under the following departmental heads:—

	RS.
Original Works	68,281
Repairs	22,141
Establishment	26,327
Tools and Plant	2,579
