From

THE SUPERINTENDENT OF WORKS,
PRESIDENCY,

To

The Chief Engineer,
B.M.

Sir,

Enclosures.

In continuation of my letter
in G.O. No. 3243 dated 4th Instant, I have the
honor to submit a List of Military
Repairs required to be urgently
carried out in Bangalore.

12. The cost of these works amount
to Rs 11,215, but there is at present a
balance of Rs 5956 available from
the allotment for Bangalore towards
meeting partially the cost of these
works, and I request that the
difference viz. Rs 5259 may
be

be allotted at an early date.

3. The sum of Rs. 2850 entered against the first item viz. Re-roofing the Cavalry Stables is the sum required in excess of the Rs. 8000 allotted in G.O. No. 17947 of 27th July 1880 as reported in this Office letter No. 2129-68. 2850 of 16/9 dated 2nd September 1880. It is very desirable that the re-roofing of these stables should be completed this year, for reasons already assigned in the reports previously submitted concerning this work.

The sum of Rs. 846 required for the second item is for completing work in progress on an estimate of Rs. 2450 of which Rs. 1604 have been already appropriated. The

The works items 3 to 10 have ~~not~~ been yet commenced, but are much required - Items 11 to 16 are for repairs to the exterior of the Barrack Buildings, the execution of which has been specially desired by Major General Commanding the Division. To his enquiry whether money is available for the work, I have replied in the negative, but added that I will submit an application to Government for the requisite funds. Of the sum of Rs. 5259 now applied for, Rs. 3738 are for these repairs alone.

I have the honor to be
