PUBLIC WORKS DEPARTMENT.

5th May 1880, No. 1,080 W.

Buildings and Roads.
Civil Works.

Read the following paper:—

No. 1. From Major H. M. VIBART, R.E., Superintendent of Works, Presidency, to the Chief Engineer, Public Works Department, dated Chepauk, 23rd April 1880, No. 305.

I HAVE the honor to request information as to the agency by which petty works and repairs to the civil portion of the General Hospital, costing less than Rs. 1,000 in each case, are to be executed. Under paragraph 10 of G.O., No. 2,522 W., dated 7th October 1879, such works will have to be undertaken by the Civil Medical Department, but as all repairs to the Military portion of the hospital will be carried out by this department, the question of the expediency or otherwise of entrusting the repairs, &c., of one and the same building to two different departments appears to require consideration.

No. 2. ORDER THEREON, 5th May 1880, No. 1,080 W.

THE Government agree with the Superintendent of Works as to the advisability of the whole of the repairs to the General Hospital being executed by the same agency. Such repairs will therefore be executed by the Public Works Department, the necessary transfer of funds being made by the Accountant-General.
