OFFICE NOTE.

The subordinates in
this were originally
Local Fund
men; they were ap-
pointed by the President,
and paid from Local
Fund. They were placed
under the P.W. Officers
and the latter with
them promote, deduct,
pay them without the
sent of the President.
In 1875 with a view
to putting an end to
this system they were
transferred to the
Engineering & Arty.

and receive. ordering
 power or authority; but
 Indian has objected to
 this and wishes to con-
 sider A. P. as
 "permissible". The papers
 on this subject are with
 you -

The Indian put is I
 believe unwilling to see
 the view of the S. J. I.
 on this point, but it should
 be settled now -

OFFICE NOTE.

To
 W. H. D. W.

The subordinates in
 question were originally
 active local British
 servants; they were ap-
 pointed by the President,
 and paid from local
 funds; though placed
 under the P. W. Office
 for work the latter could
 neither promote, reduce, or
 even fire them without the
 consent of the President.
 In 1875 with a view
 of putting an end to

the same lower position,
the subordinates in
position were transferred
to the P.W.D. as lower
subordinates at the same time
and became part of
the P.W. staff, employed ^{able}
on several duties, though
in point of fact usually
employed on local Civil
Works only, and having
the same claims as regards
pension &c. as other sub-
ordinates.

Not from June 2nd
S.O. No 765 (F.D.)
of 16 April 1920, it
appears that these sub-
ordinates are considered
to have been transferred

15
1883

to the P.W.D. staff
as an administrative
measure, and that
it follows that their
service whether under
the P.W.D. or under
local Civil Works is
continuous, so that
there is no necessity
for any re-appointment or
from the P.W.D. -

I regret that I could
not see the above order
before me when the matter
first came up, as it
seems decisive of the
question -

For orders

A question arising
came up as to whether
Subordinate transferred
to L. F. B. should tender
his resignation in the
P.W.D. I herewith submit
the Office note that
have passed in the
H. M's order

If as would now appear
no such resignation is
necessary the question
arises whether this
definite ruling should
be intimated in the
information of all concerned
or left to stand over
till the question raised
by the S of S in regard
to the relation of Govt.
towards L. F. B. has been
settled. Perhaps it
will be as well to let
it stand over
4/5/80

I think the S of S is
objection to the issue of
a G.O. stating that the
resignations are necessary in
the case of L. F. B. &
not in that of L. F. B. &
for this work. The S of S
& control of P.W.D. are
not in L. F. B. &

The question has been
asked by this office but
no definite reply has yet
been recd. If the Local
Govt. have received a
definite ruling from the
Govt. of India it is suggested
that the interested individuals
be informed of the
decision to enable them
