Read the following paper:—

No. 64-A. Endorsement of the Under Secretary to Government, Pension Department, dated Ootacamund, 22nd May 1880.

From A. C. TUPP, Esq., Officiating Accountant-General, to the Secretary to Government, Pension Department, dated Ootacamund, 14th May 1880, No. 192 N.

With reference to the Proceedings of Government, Pension Department, No. 351, dated the 3rd May 1880, regarding the question whether retired Public Works Officers should be allowed to draw their pensions in addition to any pay to which they may be entitled if re-employed under Local Funds Boards, I have the honor to forward copy of a letter from the Treasury Officer, Coimbatore, requesting to be informed whether certain Public Works Officers who have accepted employment under the Local Funds Board should be allowed to draw their pensions in addition to the pay which they receive from the Local Funds.

2. The Treasury Officer points out that the pay the officers named are now drawing exceeds the pay they were drawing from Government before they were pensioned, and I have the honor to request the orders of Government on these cases. It appears to me that to allow a pension to an officer who draws a larger pay from Local Funds which are derived from the taxation of the people just as much as the purely Government funds are, than he formerly drew direct from Government, would be contrary to the rules of the Government of India, and I therefore hesitate to act upon the Proceedings of Government referred to above in the special cases now reported by the Treasury Officer, Coimbatore. I would respectfully point out to His Grace the Governor in Council that recovery hereafter from these Public Works Officers (should the Government of India be unwilling to re-consider their decision) of any pension they may now draw, will be a matter of some difficulty, as the question may take time to decide finally and the amounts to be recovered will consequently be considerable.

From P. A. COLE, Esq., Deputy Collector in charge Treasury, Coimbatore, to the Accountant-General, Fort St. George, dated Coimbatore, 7th May 1880, No. 27.

The marginally noted Department Public Works servants on whose behalf permanent payable orders are received are now employed in the Local Fund Department. I have the honor to request you will be good enough to inform me whether their pensions may be paid to them or not. They draw a higher rate of pay than what they drew before.

1. Mr. Benjamin Stephens, late Supervisor, 1st Grade, Public Works Department, Madras.
2. M. N. Adaikalam Pillai, late Overseer, Public Works Department, Coimbatore.
3. T. C. Maniveloo Pillai, do. do.

TRANSFERRED to the Public Works Department.

(Signed) L. A. CAMPBELL,
Under Secretary to Government.

No. 64-B. ORDER THEREON, 26th May 1880, No. 1,258-A. W.

PENDING the receipt of final orders from the Government of India, the Accountant-General will be desired in the Pension Department to instruct the Coimbatore Treasury Officer to disburse the pensions of the pensioners in question, who, it is observed, are erroneously designated "Department Public Works servants" by the Deputy Collector. The men are not in the Government service.

2. The 107th Section of the Civil Pension Code is not considered applicable to their case.

3. The Accountant-General misconceives the nature of the relations between Government and Local Fund Boards, and the position of the latter. Service under Local Fund Boards is analogous to service under Municipalities, which has been admitted by the Government of India to be non-Governmental.

FROM THE ACCOUNTANT GENERAL
TO THE GOVERNMENT OF MADRAS,

TO THE Secretary to Government
Pension Department
Fort Saint George.

SIR,
With reference to the Proceedings
of Government Pension Department
No 351 dated the 3 May 1880, regarding
the question whether retired Public
Works Officers should be allowed
to draw their pensions in addition
to any pay to which they may
be entitled if re-employed under
Local Funds Boards, I have
the honor to forward copy of a
letter from the Treasury Officer
Cimbatore requesting to be in-
formed whether certain Public
Works Officers who have accepted
employment under the Local
Funds Board should be allowed
to draw their pensions in addition
to the pay which they receive

that the pay the Officers named are
now drawing exceeds the pay they
were drawing from Government
before they were pensioned, and
I have the honor to request the
orders of Government on these cases.
It appears to me that to allow
a pension to an Officer who draws
a larger pay from Local Funds
which are derived from the tax-
ation of the people just as much
as the purely Government Funds
are, than he formerly drew ^{direct} from
Government, would be contrary
to the rules of the Government of
India, and I therefore hesitate
to act upon the Proceedings of
Government referred to above in
the special cases now reported by the
Treasury Officer Coimbatore. I would
respectfully point out to His Grace
the Governor in Council, that recovery
hereafter from these Public Works Officers
(should the Government of India be
unwilling to re-consider their decision)
of any pension they may now draw,
will be a matter of some difficulty
as the question may later times to
decide finally and the amounts to be
recovered will consequently be considerable.

I have the honor to do
