GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

4th June 1880, No. 1,315 W.

Buildings and Roads.
Civil Works.

Read the following paper:—

No. 3. From the Secretary to the Government of India, Public Works Department, (Civil Works—Miscellaneous,) to the Secretary to the Government of Madras, Public Works Department, dated Simla, 20th May 1880, No. 141 M.

REFERRING to your letter No. 855 W., dated the 3rd April 1880, I am directed to state that the Government of India approves of the proposal of the Madras Government to adopt Mr. Parkes' open system of mooring for the Madras Harbour, and accordingly sanctions these materials being procured at an estimated cost of £18,000. I am to request that the Madras Government will set aside the necessary funds to cover the outlay on this account from the current year's grant, as it is not probable that any addition can be made to the grant already assigned for outlay on the harbour works during the current year.

2. I am to add that the Secretary of State has been advised by telegram of the approval of His Excellency the Governor-General in Council of the estimate for providing mooring apparatus for the Madras Harbour.

No. 4. ORDER THEREON, 4th June 1880, No. 1,315 W.

COMMUNICATED to the Superintendent of the Madras Harbour Works.

2. As serious delay to the progress of the works would be caused by setting aside two lakhs out of the budget grant for the current year, in which no provision for the moorings was included, the Secretary of State will be requested so to time the despatch of the gear as to allow of the payments on its account falling in 1881-82 instead of the current official year.

3. Ordered that a copy of these Proceedings and of the despatch to the Secretary of State be forwarded to the Government of India for information.

(True Extract.)

GOVERNMENT OF INDIA.

PUBLIC WORKS DEPARTMENT.

GENERAL
Civil Works
Miscellaneous.

To
The Secy. to the Govt. of Madras.
P. W. Deptt.

Sindia 20th May 1880..

Sir,

Referring to your letter
No. 855 W dated the 3rd April 1880,
I am directed to state that the
Govt. of India approves of the
proposal of the Madras Govt.
to adopt Mr. Parkes' open system
of mooring for the Madras
Harbour, and accordingly sanc-
tions these materials being pro-
-cured at an estimated cost
of 18,000/- I am to request
that the Madras Govt. will set
aside the necessary funds
to

Read the following:—

Letter from the Govt of India N^o 141 W. of
20th May 1880. *it is specially*
— do — do — N^o 253 W. of 20th May 1880. *disposed of 11/5*

FOR ORDERS.

In these papers
the Govt of India sanction
the proposed system of
moorings, but decline to
provide additional funds
for them, saying that this
Govt must manage to
find them out of the grant
for 1880-81.

2. Even if Mr. Thurgood
has not fallen into the
same error as he did last
year, and has allowed
fully for all expenditure.

to cover the outlay on this account
from the current year's grant,
as it is not probable that any
addition can be made to the grant
already assigned for outlay on the
Harbour Works during the current
year. *P.W.D. 26/11/80 3369*

2. I am to add that the
Secretary of State has been ad-
vised by telegram of the ap-
proval of His Excellency the
Govt General in Council of the
Estimate for providing moor-
ing apparatus for the Madras
Harbour.

I have the honor to be,
Sir,
Yours most Obedt. Servt
W. Tomkins Capt. R. E.
For Secy to the Govt of India

56. P. W. D. W. of 10.5.80
L. 113. W. " 10.5.80

" 554 W. " 3.4.80

in England, such an arrangement will reduce the outlay on works by two lakhs: a reduction which will probably be felt at the very season when the most rapid progress may be reckoned on, in January and the two following months in 1881. The date of completion will, in that case be pro tanto deferred, and the cost of the Estate will much exceed the original estimate.

The heavier will also be the charge for interest on loan.

3. Considering it will be impracticable to levy dues till legislative measures are passed by the Govt of India, there will be no set-off against the charge

FOR ORDERS

calculated at the rate,
however, of $6\frac{1}{2}$ per cent,
at £ 565,000

for interest, which may possibly be nearer the 1874 estimate of £ 66,000 ¹³¹⁵ is than the £ 43,000 sanctioned by the Secretary of State.

4. Mr. Thorneycroft's calculations in connection with the moorings do not take account of charges outside of the "Works" - estimate of £ 58,500; and consequently the saving of four lakhs, itself conditional on outlay on works to the full extent of this year's budget grant, may be more than swallowed up.

Keeps over the sanction of £ 618,000 falls on provisional.

5. The alternatives open

to Govt. in view to avoid
any retardation of the
progress of the works, and
at the same time to procure
the moneys, are apparently

I. to arrange in ordering
the moneys from the
firm selected in England
to defer payment till
1881-82.

II. to raise the funds
in the open market and
meet the charges in the
current official year.

Is it with the bill &
telegr. also?

In continuation
of our despatch of
the 20th April No 19A,
and of the marginal telegram of
the 12th June, we have the honor to
forward copy of
our Proceedings, under
date the 4th June, No 1315-V.

2. We observe that
your Lordship was
advised by telegram
of the approval of the
Govt of India to the
estimate for providing

mooring apparatus
for the Madras Har-
bour.

3. When estimating
the outlay during the
current year, no pro-
vision was made
on account of these
moorings; and as it
is of very great im-
portance that the
progress of the works
should in no wise
be retarded, we
would request that
this dispatch may be
so timed as to allow
of the payments being
made in 1881-82
instead of the cur-
rent financial year.

No 1120 A.W. and
1120 R.W. of the
10th May 1880.

4. We take the oppor-
tunity of forwarding
copy of the Proceeding
and letter asked for
the margin.
