GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

14th June 1880, No. 1,382 W.

General
Establishment.

Read the following paper:—

No. 30. From the Superintendent of Works, Kistna District, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 9th May 1880, No. 264 K.S.

With reference to the remark, as per margin, in the Disallowance List No. 36 of 1880-81 from the Examiner of Public Works Accounts in auditing the salary bills of Division Offices of the Kistna District for March 1880, I have the honor to request you will inform me whether I cannot continue to employ men in excess of the sanctioned strength, provided the average cost of the scale sanctioned in Government Order referred to be not exceeded, a course which has been adopted in accordance with paragraph 5 of G.O., No. 2,530 W., dated 7th October, and G.O., No. 3,305 W.,* dated 22nd December 1879. The work of the Divisional Offices cannot be carried on satisfactorily with only four clerks.

2. The Examiner also remarks in the same Disallowance List that "under the orders of Government salaries of all men in excess of budget, and for whom no provision has been made, will be disallowed from 1st April 1880." I have directed the Divisional Officers to dispense with the services of the men on the Petty Establishment not provided for in the budget at an early date, excepting the Medical Assistants and servants, whom it seems to me it would be very unsafe to send away, and trust you will accord sanction for debiting the pay and allowances of these medical establishments† to the allotment for "Temporary Establishment."

3. I would also ask orders as to whether men employed on works whose pay has hitherto been charged against the grant for Petty Establishment may be now charged to the grant for "Temporary Establishment," or must be paid from the estimates for works.

4. It is observed that no provision has been made in the Provincial Budget for current official year for Overseer's Clerks, but there is a provision for forty Apprentices, first grade, for employment under Upper Subordinates. It is perfectly impossible that Overseers and subordinates not in charge of sub-divisions can do their work without writers, and I request orders as to how those writers are to be paid for, and also I request instructions about the Apprentices.

No. 31. ORDER THEREON, 14th June 1880, No. 1,382 W.

THE Examiner will be authorised to pass the salaries of the office establishments of the Kistna Divisions according to present arrangements up to the 31st May, from which date they must conform to the sanctioned scale as regards numbers as well as cost.

2. If additional clerical assistance is required, special application should be made for it.

3. The retention of the medical establishment detailed in paragraph 2 of the Superintendent of Works' letter is sanctioned, and its cost for the current year (Rs. 1,716) will be met from the budget provision for temporary establishments; in future years it will be duly provided for under the head of Petty Establishment.

4. With regard to paragraph 3 of the Superintendent of Works' letter, the pay of men employed on specific works should be charged against the estimates for those works; that of men employed on general duties should be charged to temporary establishment.

5. The Apprentices referred to in paragraph 4 are intended for employment, one under each officer or subordinate above the grade of Overseer not in charge of a division or sub-division, and the necessary number may be entertained at once.

6. The Superintendent of Works is authorised to entertain a writer for each Overseer for whom he considers a writer to be essential; the pay of the men so employed will be charged for the current year against the grant for temporary establishments. The number of writers proposed to be appointed should be reported to the Chief Engineer.

7. The sanction accorded in paragraph 3 has been registered as Provincial No. 14 W. of 1880-81.
