In forwarding the enclosed letter, dated 26th ultimo, from the Chaplain of Bellary, I have the honor, by order, to state that His Excellency the Commander-in-Chief concurs in the opinion that, under the probability of the garrison of British Troops at Bellary being reduced, it would be advisable not to undertake at present the work of enlarging the Protestant Church at that station.

Nos. 44-45.

Garrison Church at Bellary.—Agreeing
with His Excellency the Commander-in-
Chief that the work of enlarging the
—should be deferred.

From
The Chaplain

of Bellary,
To the Dy. Asst. Engr. Genl.
(Ceded Districts).

To Bellary,
28th May, 1880.

Sir, I have the honour to return herewith
the enclosed letter from the Sub. Divisional
Officer, P. N. D. Bellary, requesting that the
Garrison Church may be handed over to the
P. N. D. in order that the alterations may be
made in it which are sanctioned in G. O.

27th February, 1879, No. 604, W.

2. The letter of the Sub. Divisional Officer
states that the Cuddapah Divisional Officer
has approved of the work being taken in hand
at once. But I venture to draw the attention
of the Brig. General (commanding the place)
—my paragraph No. 7. in a letter from the
Bishop of the Diocese received in G. O. 31st May
1879, No. 135. The Government have ordered,
that the sanctioned work be not undertaken
until further instructions are issued.

3. Until it has been ascertained, that these instructions have been given, I respectfully submit that it is inadvisable to commence so expensive a work as the enlargement of the Garrison Church.

A considerable sum was, I believe, expended in the repairs of the building during the months of September, October, & November in 1878; and a new wing was constructed, and the building is now in a thoroughly serviceable condition.

Moreover, if it should be settled (as appears probable) that a Wing of an English Regiment will in future be kept at this Station, the present accommodation provided in the Church will be quite sufficient.

4. Have the honor therefore to request that you will be so good as to submit this letter to the Major General (Cmdy., in order) that it may be ascertained, (1) Whether final instructions have been given by Government for the enlargement of the Garrison Church,

and (2) Whether (if these have been given) it is advisable that the work should be taken in hand, until it is known whether such a number of troops will be kept in this Station as would require the enlargement of the Church.

I have the honor to be,
Sir, Your obedient servant,
W. Wace.
