Irrigation - Memorandum

With reference to the letter No. 2591 dtd 27 Octr. from the Superintendent of Works Godavari, the undersigned has the honour to say that it is not clear on what principle the charges made or to be made to the Military Department for the use of the Steamers belonging to the Irrigation Department have been based. The Military Department have nothing to do with any ordinary ~~extraordinary~~ repair estimate, such as that ~~under~~ received with the letter under reply ~~the charge to be made is dependent upon the circumstances~~

Unless it includes special damage sustained while employed on the Military Dept. eg. the Afghan Campaign

2. The charge to be made is dependent on the circumstances of the case.

2. If the Military Department paid for Crew, oil, fuel &c, & for ordinary repairs, during the time the steamer was at their disposal, then the charge to be made is Rupees 15 a day for the whole time, while all other charges of the above items were paid for by the Irrigation Dept the charge Unless Rupees 30 a day, vide para 12 of Inspection Note in Pub. No. 1906 of the 15 July 1874 & para 6 of the order of Government

3. Whatever the case may be the Supt. of Works should lose no time in forwarding a bill to the Military authorities, and a monthly bill for the charges, for all the Steamers employed, belonging to the Irrigation Dept., should have been sent in - The orders as to the charges to be made are quite clear.

4. The Supt. of Works has not maintained whether funds have been provided in the Budget to meet the Cost of the repairs to the Steamers stationed at Multan
