PUBLIC WORKS DEPARTMENT.

Read the following paper :—

No. 60. From A. T. ARUNDEL, Esq., Acting President, Municipal Commission, Madras, to the Secretary to Government, Public Works Department, dated 9th June 1880, No. 648.

In reply to your memorandum, No. 98, dated 28th May, I have the honor to inform you that the nullahs in question are merely natural water courses and have nothing to do with irrigation. As they run between the boundaries of the compounds of bungalows and away from cultivated land, no claim could be made against the mirasidars even if they could be discovered.

2. That the Government exercise the rights of ownership of waste lands in Madras is shown by the fact that they levy quit-rent from all occupants. The receipts from quit-rent would therefore appear to afford suitable means for maintaining the unoccupied portions of land in proper condition.

3. I find, however, from G.O., No. 995, dated 20th May 1879, to which you have referred me, that the Government have defined the position they assume in this respect, and unless the fact I have noted as to quit-rent afford reason for reconsidering the matter, the present claim of the Municipality to a refund of the cost of clearance must fall through.

No. 61. ORDER THEREON, 21st June 1880, No. 1,451 W.

THE Government see no reason for modifying the decision communicated with Financial Department Proceedings, No. 995, of 20th May 1879.
