1503-4

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

28th June 1880, No. 1,503 W.

General.
Establishment.

Read the following paper:—

No. 75. Endorsement of the Chief Secretary to Government, Educational Department, dated Ootacamund, 21st June 1880, No. 1,278.

From Lieutenant H. D. LOVE, R.E., Principal of the Civil Engineering College, to the Director of Public Instruction, dated Coonoor, 11th June 1880, No. 107 C.

IN reply to an inquiry recently made of the Chief Engineer, Public Works Department, regarding the number of vacancies for subordinates which might be filled by the students who passed out of the College on 31st May, that officer stated that, owing to the claims of men whose services were dispensed with on reduction of establishment, the vacancies for fresh hands "will be very few if any."

2. The reply to a similar inquiry made of the Hyderabad Public Works Department is enclosed. The Superintending Engineer states that there are at present six vacancies for Overseers, and that the Government of India have been asked to furnish qualified men. He concludes by suggesting a reference to the Government of India in the matter.

3. As it is possible that the Government of India may not find it convenient to supply immediately so many men, and as this College has recently turned out a number who have no early prospect of employment in the Madras Public Works Department, I recommend that the suggestion made by the Superintending Engineer, Hyderabad Public Works Department, may be carried into effect. Something may in this way be done towards removing a cause of the lately diminished popularity of the College, to which I have referred in a previous communication.

4. The delay in submitting the Superintending Engineer's letter is due to a further reference regarding the languages required, &c., having been made to him.

From the Superintending Engineer, Hyderabad Public Works Department, to the Principal of the Civil Engineering College, Madras, dated Bolarum, 13th May 1880, No. 1,698 G.E.

I HAVE the honor to acknowledge the receipt of your letter No. 656, dated the 8th instant, and to inform you that it is not in the power of the local Administration of this Province to appoint passed candidates from your College to fill vacancies in the Upper Subordinate establishment. There are at present six vacancies for Overseers, and the Government of India have been asked to supply qualified men for the vacant posts; and I would suggest therefore a reference being made to that Government in the matter on the results of the annual examination of your College students being ascertained.

No. 2,744.

SUBMITTED for the favorable consideration of Government.

(Signed) R. M. MACDONALD,
Director of Public Instruction.

12th June 1880.

TRANSFERRED to the Chief Engineer in view to the Government of India, Public Works Department, being addressed on this subject.

(Signed) R. DAVIDSON,
Chief Secretary.

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,

Public Works Department.

SIR,—I am directed to forward Proceedings of this Government, under date the 28th June 1880, No. 1,503 W., and to request that, so far as may be consistent with the interests of Engineering institutions elsewhere, endeavours may be made to select passed students of the Madras Civil Engineering for vacant posts in the Public Works Department in Hyderabad and other Administrations under the Government of India.

2. I am to take the opportunity of forwarding copy of Government Proceedings of the 26th April last, No. 1,028 W., for the information of His Excellency in Council.

I have the honor to be,

Sir,

Your most obedient servant,

Major, R.E.,

REQUESTING to select passed Students of
the Madras Civil Engineering College to
vacant posts in the Hyderabad and other
Administrations under the Government of
India.

N. 107. C

From

The Principal,
Civil Engineering College,
Madras.

To The Director of
Public Instruction,
Madras.

Coonoor, 11th June 1880.

Sir, In reply to an enquiry recently
made of the Chief Engineer, Public
Works Department regarding the
number of vacancies for Subordinates
which might be filled by the Students
who passed out of the College on
31st May, that officer stated that
owing to the claims of men whose
services were dispensed with on
reduction of establishments, the
vacancies for fresh hands "will
be very few if any".

2 The reply to a similar enquiry
made of the Hyderabad Public
Works Department is enclosed.

Enclosure
One.

The Superintending Engineer states that there are at present six vacancies for Overseers, and that the Government of India have been asked to furnish qualified men. He concludes by suggesting a reference to the Government of India in the matter.

3. As it is possible that the Government of India may not find it convenient to supply immediately so many men, and as this College has recently turned out a number who have no early prospect of employment in the Madras Public Works Department, I recommend that the suggestion made by the Superintending Engineer, Hyderabad Public Works Department may be carried into effect. Something may in this way be done towards removing a cause of the lately diminished popularity of the College, to which I have referred in a previous communication.

4. The delay in submitting
