From

J. Weir Esquire,
Acting Registrar of the
High Court of Judicature
at Madras.

To
G. G. Master Esquire,
Acting Chief Secretary
to Government.

Sir,

I am directed, in com-
pliance with the application
in the accompanying letter
of the Presidency Engineer,
to request that the sanction
of Government be allowed to
the preparation of a detailed
plan and estimate for the
conversion of a vacant room
in the High Court building to
the purposes of a court room.
The proposed work is rendered
necessary by the fact that four

Courts now, not infrequently,
sit simultaneously in the
High Court building and the
existing accommodation pro-
vides only for 3 Court rooms.

2. The result has been
that Courts have of late been
held in the Chief Justice's and
Judges' private rooms to the
great inconvenience both of
the bench and of the bar as
also of the general public.

3. As the additional
Court room is very urgently re-
quired, the High Court trust
that Government will accord the
required sanction at the
earliest possible opportunity.

Note.

With reference to
 the H. M.'s remark
 on the draft enclosed,
 which the Chief Secretary
 has sent to the undersigned
 for perusal, the suggestion
 that the work should
 be carried out by the
 High Court, the amount
 of the estimate being
 below 1000 Rs, was made
 with reference to G.O.
 No 2522 W of the 7th Octr.
 1879, paragraph 10.
 2. In a recent office
 note the undersigned

I am afraid the
 Judge may want
 a piece. It is
 better to avoid
 conflict. At any
 rate the phraseology
 of the G.O. must

proposed that unless
works were of a special
nature, this rule should
be adhered to; it being
quite impossible for
the reduced Establs
of the P.W.D. to execute
numerous petty works to
the satisfaction of them-
selves or of the ~~small~~
Depts concerned.

3. The case now
under reference is the
undersigned ventures
to submit, one in which
the intervention of the
P.W.D. is not called
for. The High Court
can, through their Registrar,
do what any private
person would have to
do in like case - contract

be attended to,
The Registrar's
Dept. specifies
but when there
is not the
superiority of
mainly the
general rule in
