FROM

THE SECRETARY TO THE GOVERNMENT OF MADRAS,

Public Works Department,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

Public Works Department.

SIR,—In 1879 it was found needful to place a Sub-Engineer in charge of one of the Kistna divisions, no officer of the Engineer establishment being available for the post.

2. The Sub-Engineer claimed the sub-divisional allowance of Rs. 30 a month, under the paragraph of the Madras Public Works Code shown in the margin. This

allowance was one that could be passed under the spirit of the ruling; but it seemed to this Government that some remuneration should at the same time be given to the Sub-Engineer for fulfilling the duties of an Executive Engineer, and the Examiner was accordingly directed to pass an additional monthly allowance of Rs. 20, from the 1st April 1879 to date of relief on the forenoon of 1st November 1879.

3. The tenor of Mr. Sampson's letter of the 26th February last, No. 536 G., led this Government to believe that they were empowered to grant such an allowance, but the Examiner feels himself unable to admit the charge. Had there been a vacancy among the Engineers of the executive class, it would have been open to this Government to grant to Sambiah Chetty, the Sub-Engineer in question, the sum of Rs. 50 permissible under Section 32, Exception 2, of the Acting Allowance Code, in place of the sub-divisional and special allowances; but this was not so, and the Examiner thinks that this section can only be brought in force when a vacancy exists. Mr. Sampson's letter of the 14th May, No. 1,094 G., appears to confirm Major Trail's view.

4. How far such a ruling is consistent with the 25th and 28th paragraphs of the Government of India Resolution of the 14th December 1870, No. 3,334, in the Financial Department, it must rest with the Governor-General in Council to decide.

5. The rulings being what they are, I am directed to request confirmation to the grant of Rs. 20 a month, in addition to the sub-divisional allowance, for the period subsequent to the 1st April 1879, during which the Sub-Engineer held charge of the Guntur division.

6. In conclusion I am to observe that to meet similar cases in future this Government should have discretionary powers to pass salary within the general tenor of the rules.

I have the honor to be,

Sir,

Your most obedient servant,

C. Sambiah Chetty, Sub-Engineer, — Re-
questing confirmation to the grant of
Rs. 20 a month, in addition to sub-divisional
allowance 15— for being in charge of the
frontier division.

From

To, Colonel R. H. Sankey, R.E.,

Secretary to Government,

No. 27, 69 Colacammal 4th June 1880.

Sir,

With reference to Madras G. O. No. 1029 W., dated 26th April 1880, I beg to point out that there appears to be no rule under which the extra allowance of Rupees 20 sanctioned for Sub-Engineer C. Sambiah Chetty, can be admitted. The intention of the govt. appears to be to make up the allowances of the Sub-Engineer to Rupees 50 while in charge of the frontier division. If so, I beg to suggest that this object can be attained within the rules by allowing the Sub-Engineer

the allowance of Rupees 50 admissible to
an Upper Subordinate placed in charge
of the current duties of an Executive
Engineer's Office [See Section 32, Rule 2,
Acting Allowance Code], this allowance being
granted in lieu of the Sub Divisional
Allowance.

2. Under these circumstances, I
would request a reconsideration of the
order referred to.

I have the honor to be
Sir

Your most obedient Servant.

2. The absolute con-
tradiction involved between
the spirit of section 32
of the Acting Allowance
Code, and the definition
contained in Mr. Sampson's
letter, is noteworthy.

3. The intention of the

section is plainly to enable
a local Govt to remuner-

while the letter makes
the power of the local Govt
conditional on there being
vacancies in the Engineer
