GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

10th July 1880, No. 1,626 W.

Buildings and Roads.
Civil Works.

Read the following papers :—

No. 38. From Major H. M. VIBART, R.E., Officiating Superintending Engineer, First Circle, to the Chief Engineer, Public Works Department, dated Madras, 5th May 1880, No. 429.

I HAVE the honor to bring to your notice that the President, Local Funds Board, Vizagapatam Circle, has applied to me for the transfer of the store-shed and office at Parvatipur as belonging to the Local Funds Board.

2. An estimate of Rs. 172 was sanctioned for the repairs of this building from Provincial Funds during the past official year; and the building is urgently required by this department at any rate till the completion of the jail at Parvatipur, as there is no other building available at that place to store tools, &c.

3. I have therefore ordered the retention of the building by this department, and I request that my action in declining to give up the building for the present may be approved.

No. 76.

REFERRED, through the Financial Department, to the President, Local Funds Board, Vizagapatam Circle, for explanation of the claim to the building as Local Funds property.

18th May 1880. (Signed) R. H. SANKEY, Col., R.E.,
Secy. to Govt., P.W.D.

No. 1,147.

REFERRED to the President for the report required.

OOTACAMUND,
25th May 1880. (Signed) E. GIBSON,
Acting Under Secy.

To the President, Local Funds Board, Vizagapatam.

From J. H. GARSTIN, Esq., C.S.I., President, Local Funds Board, Vizagapatam Circle, to the Chief Secretary to Government, dated Vizagapatam, 4th June 1880, No. 537.

WITH reference to your endorsement* dated 25th ultimo, No. 1,147, referring to me for report a letter from the Superintending Engineer, First Circle, regarding the store-shed and office at Parvatipur for an explanation of the claim to the building as Local Funds property, I have the honor to state that I have already addressed the Board to move Government on the subject in my letter† No. 482, dated 19th ultimo.

2. The claim of the Local Funds Board to the building referred to is simply this : it was built out of their money and on their behalf by the Public Works Department, who now,

---

* Herewith returned.

† Copy enclosed for information.

because in possession, wish to keep it for themselves to avoid the inconvenience they might be put to by building another.

3. The Local Funds Board require the building as much or more than the Public Works Department, who have only one work going on there, namely, the jail buildings. When that work is finished there will be no reason why a Public Works Officer should reside at Parvatipur at all. It is true that the Department Public Works Sub-divisional Officer in charge of the Parvatipur Jail buildings is also in charge of the very important work of making the Potinghi Ghaut for which there is an allotment of Rs. 50,000 in this year's budget, but, as the ghaut is nearly 30 miles from Parvatipur, it is very improbable that when the jail buildings are finished he will continue to make his head-quarters at Parvatipur.

No. 38-A. Proceedings of the Board of Revenue, dated 3rd June 1880, Miscellaneous No. 5,846.

From J. H. GARSTIN, Esq., President, Local Funds Board, Vizagapatam Circle, to the Secretary to the Board of Revenue, dated Vizagapatam, 19th May 1880, No. 482.

I HAVE the honor to inform you that some Rs. 600 or 700 were spent by the Department Public Works on the construction of a store-shed and office at Parvatipur from the maintenance grant of the road from Parvatipur to Viraghattam. The Local Funds Board thus owned the building, and the Department Public Works were asked to transfer it with the road which was taken charge of in February last. But the Superintending Engineer, First Circle, now writes* to say that the building is urgently required for his department and objects to give it up. It is equally urgently required for the use of the Local Funds Department; I therefore request that you will move Government to have the building transferred to the Local Funds Board, or order its cost to be paid to them by the Department of Public Works.

* *Vide* copy (enclosed) of his letter No. 430 of the 5th instant.

From Major H. M. VIBART, R.E., Officiating Superintending Engineer, First Circle, to the President, Local Funds Board, Vizagapatam, dated Madras, 5th May 1880, No. 430.

WITH reference to your letter No. 256, dated 31st March 1880, I have the honor to inform you that the store-shed and office at Parvatipur is urgently required for the present by the Public Works Department, and that a reference will be made on the subject to Government.

SUBMITTED for the orders of Government.

2. As the bungalow was constructed from Circle Funds, the Board think the bungalow should be transferred to the Circle Board. If it is needed by Government it should be purchased from the circle.
