memorandum No. 166, dated 16th instant, I have the honor to state, for the information of Government, that the resignation of that officer under the terms of the financial resolution of 31st July last was in the first instance accepted from 1st October 1879, but was subsequently altered to 14th October 1879, under the following circumstances :—

Public Works Department Notification No. 86, published in the *Fort St. George Gazette*, dated 11th November 1879, Part I, page 767.

Mr. Paynter arrived in India under covenant with the Secretary of State on the 12th October 1859, and with reference to Section 21 (C) of the Civil Pension Code could count his service for pension from that date only. In his letter to the Under Secretary of State for India printed with G.O., No. 3,170 W., dated 11th December 1879, Mr. Paynter requested that his resignation might be accepted with effect from either the 11th December 1879, the date of expiration of his furlough, or from 14th October 1879, the date on which he would complete twenty years service, in right of which he would be entitled to count two years of his furlough as service (*Vide* Section 52, Civil Pension Code) in accordance with paragraph 5, Section II, Clause I, of the Government of India (Finance and Commerce) Resolution No. 2,079, dated 31st July 1879.

3. In this office note No. 904, dated 6th December 1879, it was reported that Mr. Paynter was entitled to a pension of Rs. 233-5-4 per mensem, and it is not known why this Government in their despatch No. 2, dated 17th January 1880, intimated to the Secretary of State that the amount of his pension was Rs. 233 per mensem only.
