With reference to Order of Government
Public Works Department, No. 1484, W. dated 24th June
1880, sanctioning for execution, when funds are avail-
able, an Estimate for Rs. 4,500 for constructing Horse
Lines for the Royal Horse Artillery at Bangalore,
I have the honor, by order, to state that though the
Commander in Chief approved of the Estimate and the
lines are required, it has since occurred to His Excellency
that if the recommendations of the Army Commission
for the partial withdrawal of British Cavalry from Bangalore
are carried out, the Horse Artillery could be moved
into the Cavalry Barracks, to which some Stables are
attached.
