GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

26th July 1880, No. 1,789 W.

General
Establishment.

Read the following paper:—

No. 98. From Surgeon-General W. R. CORNISH, F.R.C.S., C.I.E., Surgeon-General with the Government of Madras, to the Chief Engineer, Public Works Department, dated Ootacamund, 22nd July 1880.

I HAVE the honor to forward in original, for submission to Government, the accompanying correspondence relative to Third-class Hospital Assistant T. F. Luke, No. 988, appointed to the Executive Engineer's establishment, Kurnool, not being able to obtain his pay from the 29th February last, nor the amount of his travelling expenses when proceeding in March last from Harpanhalli to join his appointment at Kurnool. The reason assigned for non-payment is said to be the want of provision in the budget of the Department Public Works, and in the meanwhile a public servant is subjected to very great inconvenience by being kept out of his pay for several months together. I have the honor therefore to solicit the issue of early orders on the subject, and to request that when medical subordinates are detailed for duty with the Public Works Department, proper arrangements may be made for the regular issue of the pay and allowances of their grade.

From the Acting Head Assistant Collector of Kurnool, to the Acting Collector of Kurnool, dated 10th July 1880, No. 412.

In forwarding herewith letter No. 22, dated 2nd instant, from the Third-class Hospital Assistant attached to the office of the undersigned, has the honor to request the Acting Collector to lay the matter before the Surgeon-General, Civil Medical Department. The Hospital Assistant has had no pay for months.

(Signed) O. WOLFE-MURRAY,
for Ag. Head Asst. Collector.

From Third-class Hospital Assistant T. F. LUKE, attached to the Acting Head Assistant Collector's Department, Kurnool, dated Kurnool, 2nd July 1880, No. 22.

I beg to inform you that my travelling allowance from Harpanhalli to Kurnool to join the Executive Engineer's Department, Kurnool, (*vide* copy of extract of orders attached) amounting to Rs. 21-4-0 was submitted to the Executive Engineer on the 15th March 1880 for payment, and now, as it is more than three months since it was submitted, nothing is yet forthcoming. Moreover I beg to state that I have not received my pay from the 29th February 1880 to the 30th June 1880, and I have received Rs. 25 only as an advance in the month of April 1880. References were made both to the Acting Civil Surgeon and Executive Engineer regarding my travelling allowance and the arrears of pay, and I was informed that the Examiner of Public Works Accounts disallowed both these, owing to no provision being made in the Department Public Works Budget.

In conclusion I beg to state that I suffer much in consequence of not having received my pay and the travelling allowance for the last four months; therefore I request that you will be good enough to take steps regarding the payment of the above in question.

No. 99. ORDER THEREON, 26th July 1880, No. 1,789 W.

ORDERED that the following telegram be despatched to the Executive Engineer, Cuddapah Division :—

“ Disburse at once Hospital Assistant Luke's pay from March subject to adjustment.”

2. The Superintending Engineer, First Circle, and the Examiner of Public Works Accounts will promptly report on the case. To whatever department debit-able, the pay, if not the travelling allowances, of the Hospital Assistant could have been *provisionally* disbursed; and that a Government servant of the kind should for so long have been unable to draw any pay, owing, it would seem, to a purely technical objection, is most unsatisfactory.

3. It appears that the Hospital Assistant has been attached to the Head Assistant Collector's Establishment since the middle of May, and, if this is the case, it rests with the Civil authorities to pay him from the date of transfer.
