No. 100. Despatch from the Most Honorable the Secretary of State for India.

Financial.
No. 25.

INDIA OFFICE, LONDON,
13th May 1880.

MY LORD DUKE,—With reference to your letter of the 2nd February last, No. 6, reporting the grant of a pension of Rs. 216-10-8 per mensem to Mr. P. O'Ratigan with effect from the 16th November 1879, I forward herewith, for your consideration and for early report, a copy of a letter with enclosure, from that officer, claiming payment of his pension from the 1st October 1879.

Dated 24th April 1880.

I have, &c.,
(Signed) HARTINGTON.

His Excellency the Most Noble
The Governor in Council, Fort St. George.

From P. O'RATIGAN, Esq., late Executive Engineer, Public Works Department, Madras Presidency, to the Under Secretary of State for India, dated Herford, Herts, 24th April 1880.

HAVING been informed by Messrs. H. S. King and Co. that pension allowance only from 16th November 1879 has been passed to me instead of from 1st October 1879, I have the honor to request that the allowance due from 1st October to 15th November may also be paid to the credit of my account.

2. I enclose the order of the Madras Government in original, and which I request may be returned, permitting me to retire from the 1st October 1859, and am informed by officers who retired in India, on that date, and by others who retired when on leave in this country, that they have been allowed to draw pension from 1st October in addition to receiving pay up to 31st December 1879, as sanctioned in the resolution of the Government of India ; I fail therefore to see why I should be debarred of this privilege.

3. I presume that it is owing to some mistake in the Account Office in Madras that the amount has not been paid, as, although I was permitted to retire from 1st October, I was not relieved of my appointment until 15th November 1879 ; I was therefore actually working for the period in question, whereas others who have drawn the allowance have been doing nothing.

Proceedings of the Madras Government in the Public Works Department, dated 1st October 1879.

Read letter from Mr. P. O'Ratigan, under date the 24th September 1879, tendering his resignation with effect from the 1st October 1879.

HIS GRACE the Governor in Council is pleased to accept Mr. O'Ratigan's resignation from the date mentioned.

2. The Superintending Engineer will make the necessary arrangements, and the Examiner of Public Works Accounts will pass in audit the bills of Mr. O'Ratigan and other retiring officers for the three months' advance permissible under the terms of the Resolution of 31st July 1879.

(Signed) R. H. SANKEY, Colonel, R.E.

No. 100-A. From Major D. H. TRAIL, R.E., Officiating Examiner, Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 28th June 1880, No. 55 W.

IN returning the papers in connection with the pension of retired Executive Engineer Mr. P. O'Ratigan, received with your endorsement, No. 1,511, dated the 11th instant, for report, I have the honor to state that although the resignation of that officer under the terms of the Financial Resolution of 31st July last was accepted by Government with effect from 1st October 1879, he was not finally relieved of his duties in the Anantapur Division, of which he held charge, until the afternoon of the 15th November 1879, from which latter date his pension commences in accordance with Government of India's letter No. 1,572 E.—G., dated 2nd September 1879, to the address of the Accountant-General of the Public Works Department (copy attached). In all cases of retirements under the Resolution of 31st July 1879, the date of relief from duties has been taken as the date from which pension is to commence.

2. I may mention that advance of pay up to 31st December 1879 under Government of India Resolution, Finance and Commerce, No. 2,079, dated 31st July 1879, paragraph 5, Section II, Clause 6, was paid to Mr. P. O'Ratigan before he left this country.

Copy of a letter from the Government of India, Public Works Department, to the Accountant-General, Public Works Department, No. 1,572 E.—G., dated 2nd September 1879.

SOME misapprehension apparently exists as to the intention of Government under paragraph 5, Section II, Clause (6) of Resolution in the department of Finance and Commerce, No. 2,079, dated 31st July 1879. I am directed to explain as follows:—

(*a*) The pension of an officer will commence from the date of his retirement.
(*b*) In addition to pension, a bonus is given under Clause (5) as explained in Government of India letter Nos. 1,450—1,474 E.—G., dated 23rd August 1879.
(*c*) A further *bonus* is given under Clause (6) which is not intended in any way to interfere with the payment of the pension.

2. I may explain, as the inquiry has been made, that extra pay due to temporary promotion cannot be taken into account in calculating the amount of pension or *bonus*.

3. The addition of three years under paragraph 5, Section II, Clause (2) to an officer's actual service should be made *before* [illegible]ductions are made of non-pensionary service, for instance—

	YEARS.
Total actual service	19
Add three years under Clause (2)	3
Total actual service ...	22
Deduct furlough in excess of two years admissible for twenty years service	1
Service for pension ...	21

And not—

Total actual service	19
Deduct three years' furlough	3
	16
Add three years under Clause 2	3
	19

The addition under Clause (2) cannot be given to officers of the Accounts Branch or subordinates.

12878
2

4. The *bonus* under Clause (5) is a charge against the Civil Department, and will be paid by that department, as soon as it is sanctioned, with the pension in usual course. The further bonus not exceeding three months' pay under Clause (6) should be paid and finally adjusted in the Public Works Department.

5. The furlough which is allowed to count towards pension under paragraph 5, Section II, Clause 1, must be understood to mean furlough actually taken, and cannot include furlough earned but not taken.

6. I am to request that the foregoing orders be communicated at once to Examiners of Public Works Accounts, to whom local authorities have been referred for explanation of the orders of the Government of India in Resolution No. 2,079, dated 31st July 1879.

No. 101. ORDER THEREON, 28th July 1880, No. 1,798 W.

As the point to be settled is the date of Mr O'Ratigan's retirement, and the para of Madras letter No. 1872 E.G. of 2nd Septr /79 merely stated that the pensions were to commence from "date of retirement", the case seems to be where it was before.

2. It is understood that in the case of all officers

under the terms of

the date of relief
from duties was apparently
the date from
which their retirement
had effect. If
this and [illegible] have no

the fact?

It appears quite
clear that an officer continuing
