GOVERNMENT OF MADRAS.  
PUBLIC WORKS DEPARTMENT.

28th July 1880, No. 1,801 W.

General.  
Establishment.

Read the following paper :—

No. 105. From J. W. RUNDALL, Esq., Acting Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 15th July 1880, No. 873 T.J.

THE Examiner of Public Works Accounts has refused to pass the allowance of Rs. 7-8-0 per mensem to the writers employed under extra officers, who are obliged to be constantly travelling with these subordinates, and who should in this case receive the same allowance as Sub-division Officers' Clerks under paragraph 617 of the Code.

2. As a rule, these writers would have to keep a single bullock bandy, and should, I think, when the Executive Engineer considers it necessary for them to be in constant personal attendance in camp, be allowed the same allowance as Sub-division Writers.

3. Should the Government be pleased to extend code paragraph 617 to this class of servants, I trust paragraph 617 may be corrected accordingly.

No. 106. ORDER THEREON, 28th July 1880, No. 1,801 W.

THE Examiner is authorised to pass the minimum allowance of Rs. 7-8-0 per month allowed by paragraph 617 of the Code to Clerks employed under Officers, Sub-Engineers or Supervisors not in charge of sub-divisions.

2. The paragraph in question will be modified by the addition of the words "or on Officers, Sub-Engineers or Supervisors not in charge of sub-divisions" after the words "or Sub-divisional Officers."
