GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

9th August 1880, No. 1,892 W.

Buildings and Roads.
Civil Works.

Read the following papers:—

No. 21. Endorsement of the Chief Secretary to Government, Public Department, dated Ootacamund, 3rd August 1880, No. 1,544.

From E. F. WEBSTER, Esq., Collector of Tanjore, to the Chief Secretary to Government, dated 29th July 1880, No. 3,639.

I HAVE the honor to submit, for the favorable consideration and orders of Government, the enclosed letter* (in French) from the Acting Chef de Service of Karikal (together with a free translation of the same in English) requesting that a Telegraph Office may be opened at that place.

* Dated 5th July 1880, No. 195.

From the Acting Chef de Service, to the Collector of Tanjore, dated Karikal, 5th July 1880, No. 195.

TRANSACTION of business at Karikal is important enough to make us feel the advantage of a Telegraph Office. Commerce would derive benefits from the institution thereof, while at the same time the Telegraph Department could towards the end realize income. It can happen that at the beginning the receipts are not sufficiently large to cover all the expenses of the department. In this case we would be prepared to guarantee the payment of the difference between the receipts and the expenditure; but the resources of the town allow me to enter into this agreement only to such an extent that this difference should not exceed Rs. (720) seven hundred and twenty a year.

2. I should feel greatly obliged, Sir, if you would kindly request your Government to introduce a Telegraph Office at Karikal under the conditions stated; and I thank you beforehand for the efforts that you will not fail to take in favor of a project which, if realized, would greatly be useful to the inhabitants of Southern India, French as well as English.

(True Translation.)
