GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

23rd August 1880, No. 1,992 W.

General
Establishment.

Read the following paper :—

No. 58. Endorsement of the Chief Secretary to Government, Educational Department, dated Fort St. George, 3rd March 1880, No. 459.

From Lieutenant H. D. LOVE, R.E., Principal, Civil Engineering College, to the Chief Engineer, Public Works Department, (through the Director of Public Instruction,) dated Chepauk, 23rd February 1880, No. 408 C.

I LEARN that it is probable that two Sub-Conductors of the Public Works Department, Messrs. McAleese and Cames, who are attached to the Educational Department, may shortly be recommended for a step of departmental rank; and I am informed that in a case of the kind which occurred some years ago, the recipient of promotion was required to revert to the Public Works Department.

2. The views of the Government of India (*vide* Proceedings* of the Madras Government, Public Works Department, No. 1,329, dated 26th April 1866,) are favorable to service on the Educational staff of a Civil Engineering College counting towards promotion to warrant rank; and these views have hitherto been carried into effect by the promotion of the officers in question to the rank of Sub-Conductor in 1876.

3. Messrs. McAleese and Cames joined the Civil Engineering College in 1870, and have since served in it uninterruptedly. They are now experienced instructors, and occupy the posts of 2nd and 3rd masters respectively. As their removal from the College would, I have no hesitation in saying, involve deterioration in an institution which has already been recently deprived of its chief, I trust that you will see no objection to these officers remaining attached to the Educational Department on attaining the rank of Conductor.

4. Their pay as heretofore will be defrayed solely by the latter department.

No. 777.

RECOMMENDED for sanction

24th February 1880.

(Signed) R. M. MACDONALD, Col.,
Director of Public Instruction.

TRANSFERRED to the Chief Engineer, Public Works Department, for disposal.

(Signed) R. DAVIDSON,
Chief Secretary.

No. 59.

ORDER THEREON, 23rd August 1880, No. 1,992 W.

THE Warrant Officers employed in the Civil Engineering College will be regarded as "seconded." They will be eligible to promotion in the ordinary course up to the rank of Conductor, but the Public Works Department will have the option of requiring their reversion to departmental duty as a condition of promotion to the Deputy Assistant Commissary grade. If not so claimed, they may remain on the Civil Engineering College establishment as "seconded," being eligible as such for further warrant advancement.
