Proceedings of the Government of India, Department of Finance and Commerce, dated Simla, 29th July 1880, No. 1,976.

Read the following papers relating to the settlement of the expenditure and liabilities for the construction of the artificial harbour of Madras.

Financial Resolution, No. 783, dated the 2nd February 1879.

Order by the Government of Madras, No. 936, dated the 7th May 1880.

By the Resolution of February last, the Government of Madras was required to provide from Provincial resources any capital outlay in excess of the sum of Rs. 62,80,000 sanctioned by the Secretary of State for the works, and to make good to the Imperial Treasury from Provincial resources $4\frac{1}{2}$ per cent. interest on the said sum of Rs. 62,80,000, recovering on its part 4 per cent. from the Port Trust.

2. The Government of Madras sees no reason to anticipate capital expenditure in excess of the original sanction. It is, therefore, not necessary to consider now whether any excess should be borne provincially or not.

3. In presence of the objection made by the local Government, the Governor-General in Council will not press his demand upon the Government of Madras to make good $4\frac{1}{2}$ per cent. interest from Provincial resources.

Order.—Ordered that this Resolution be communicated to the Government of Madras, to the Public Works Department, the Comptroller-General, and to the Accountant-General, Madras.

(Signed) S. JACOB,
Asst. Secy. to the Govt. of India.
