GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

11th September 1880, No. 2,144 W.

Buildings and Roads.
Civil Works.

Read the following paper:—

No. 52. Endorsement of the Secretary to Government in the Revenue Department, dated Ootacamund, 7th August 1880.
Proceedings of the Board of Revenue, dated 3rd August 1880, Miscellaneous No. 8,386.
From H. E. STOKES, Esq., Acting Collector of Salem, to the Secretary to the Board of Revenue, dated Salem, 31st July 1880, No. 222.

In reply to Board's Proceedings, 29th July 1880, No. 8,262, I have the honor to state that I intended to have the repairs to Fischer's bungalow executed by the Public Works Department, a Supervisor having been retained at Salem for the ghāt work. I believe he is still to remain here, but I am not sure; however, even if he is removed, I can easily arrange for the proper execution of the work, and I request that the money may be placed at my disposal.

2. I earnestly beg that orders may be speedily passed. The sale of the old buildings is fixed for the 9th August, and I thought when writing on the 3rd June that I had allowed ample time, not only for the disposal of the reference, but also for the execution of the work. As the sale cannot be postponed, the buildings will now have to be occupied and the repairs executed afterwards. This will be inconvenient, but there is no help for it. Temporary arrangements to mitigate the inconvenience can be made.

3. The sale document was returned to me duly executed on the 9th July, and I therefore paid the purchase money in anticipation of orders which I daily expected.

SUBMITTED to Government with the request that the requisite funds may be placed at the Collector's disposal at the earliest possible date.

(True Copy and Extract.)

(Signed) C. A. GALTON,
Secretary.

TRANSFERRED to the Public Works Department for early disposal with the remark (with reference to the memorandum noted in the margin) that Revenue Department G.O., 21st June 1880, No. 707, requires no alteration as the Collector is prepared to execute the work in the Revenue Department.

(Signed) C. G. MASTER,
Secretary to Government.

Returned to the Secretary to Government

No. 53. ORDER THEREON, 17th September 1880, No. 2,144 W.

It will be pointed out to the Revenue Department that the course followed in G.O. in that department, No. 707, of 21st June 1880, was irregular, inasmuch as G.O. No. 2,507 W., of 3rd October 1879, is applicable to all sanctions from Public Works Funds, whether the actual expenditure is to be entrusted to Public Works or to Civil Officers.

2. As it is desirable that there should be no further delay in the execution of the repairs to Fischer's bungalow at Salem, the sanction given in the Revenue Department to the estimate of Rs. 1,985 will be accepted, and funds appropriated from the Provincial Reserve.

3. The Superintending Engineer, Second Circle, will arrange for the payment of the amount to the Collector.

4. This sanction is registered as Provincial No. 55 B. of 1880, and is classified as Original Works, Civil Buildings.

It is now stated in the
Revenue Department that
the order in question requires
no alteration, as the Collector
is prepared to execute
the work in the Revenue
Department -

2. It appears necessary to
point out to that Department
that it is for the P.W.D.
to decide whether or not
funds from its budget
shall be entrusted to
the Collector for expenditure,
and that whether they be
so entrusted or not
the sanction to the estimate
must proceed from that latter
Department -

3. Funds should be withheld
