PUBLIC WORKS DEPARTMENT.

15th September 1880, No. 2,164 W.

General Account.

Read the following paper :—

No. 74. From Lieutenant-Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, First Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 4th August 1880, No. 1,471.

I HAVE the honor to report that Zahoor Ally Beg employed as a temporary Sub-Overseer on Famine Relief Works in 1877 in the Kurnool District, failed to account for the undermentioned tools, valued at Rs. 317-7-0, belonging to the Famine Department, viz :—

	Rs.	A.	P.
100 Axes, pick, at 10 annas each	63	2	0
302 Hand-hammers, at 13 annas each	245	6	0
6 Crowbars, at Rs. 1-6-0 each	8	4	0
Total ...	317	7	0

2. After the famine ceased, Zahoor Ally Beg was employed as a temporary Draughtsman in the same (Cumbum) division, and his salary, Rs. 155-5-2, from April to November 1878 was withheld as a set off against the value of the missing tools. The Examiner, Public Works Accounts, objects that the sanction of Government should be obtained for the retention of the salary, and I request that sanction may be given accordingly.

3. The Draughtsman is said to have left the Kurnool District, but nothing is known about him; he has made no defence and put forward no claim. Under the circumstances, I recommend that the difference of value, Rs. 162-1-10, may be treated as a charge contingent on famine works.

No. 75. ORDER THEREON, 15th September 1880, No. 2,164 W.

UNDER the circumstances nothing can now be done but to debit establishment after audit with the Rs. 155-5-2, and credit sales of tools and plant with the amount. No charge can be made to famine works, the accounts having been closed. The recovery of Rs. 155-5-2 should therefore be taken as the value of all the tools specified by the Superintending Engineer, which should now be written off the returns.
