GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

24th September 1880, No. 2,242 W.

General.  
Account.

Read the following paper :—

No. 135. From Major H. B. MEAD, R.E., Superintending Engineer, Second Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 21st September 1880, No. 294.

WITH reference to your Circular Memorandum, No. 1,868, dated 4th August 1880, I have the honor to enclose herein a statement of surrenders of grants that cannot be utilised in the current official year.

2. I also enclose an application for Rs. 3,000, being the amount required for the addition, &c., to the Munsif's Court-house at Mangalore this official year (see my endorsement, No. 241, dated 30th August); perhaps as Rs. 33,760 are surrendered, this amount may now be granted.

No. 136. ORDER THEREON, 24th September 1880, No. 2,242 W.

THE sum of Rs. 33,760 surrendered from the budget appropriations for the following works is credited to the Provincial Reserve :—

| Budget Item                                                                            | Rs.    |
|----------------------------------------------------------------------------------------|--------|
| Budget Item 2.—Office for Assistant Collector attached to Collector's Office, Chittoor | 3,900  |
| Budget Item 5.—Sub-Collector's Cutcherry, Erode                                        | 4,860  |
| Budget Item 24½.—Chinchona building at Neddiwattam                                     | 25,000 |
| Total                                                                                  | 33,760 |

2. The reason given by the Superintending Engineer for the surrender of the whole of the budget allotment for Item 24½ is that the estimate for the work has not yet been sanctioned.

It is observed that the estimates for the buildings were referred to the Revenue Department for approval on the 29th July last (*vide* endorsement, No. 1,834, of that date); when they are returned such fresh appropriation will be made as the Superintending Engineer may be prepared to utilise, or as the circumstances will allow.

3. The sum of Rs. 3,000 requested for additions and improvements to the Munsif's Court at Mangalore, for which an estimate of Rs. 5,200 was sanctioned in G.O., No. 4,303 W., of the 8th November 1878, is appropriated from the Provincial Reserve.
