GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

4th October 1880, No. 2,301 W.

General.
Establishment.

Read the following paper :—

No. 19. From Major D. H. TRAIL, R.E., Officiating Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 24th September 1880, No. 103 W.

With reference to the accompanying copy of a memorandum from the Accountant-General, Public Works Department, No. 687 E., dated 20th August 1880, forwarding copy of a letter received from the Examiner of Accounts, Military Works Branch, regarding the delay in finally disposing of the claims due to Assistant Engineer Mr. F. G. Brook Fox on account of salary and travelling allowances while employed in the Chingleput Division on famine relief, I have the honor to forward, herewith, copy of the explanation of the Executive Engineer, Chingleput Division, received with his No. 3,104, dated 8th September 1880. The Executive Engineer states quite correctly that the question of Mr. Fox's claim was raised at a time when the reorganization of the department commenced, and in the successive changes which took place the adjustment of old claims were a matter of difficulty, but even so the delay has been very great.

2. The salary and travelling allowance due to the Assistant Engineer have now been finally adjusted, and the Accountant-General, Public Works Department, has already been informed of this in this office letter, No. 108-A, dated 1st September 1880, copy also forwarded.

No. 20. ORDER THEREON, 4th October 1880, No. 2,301 W.

RECORDED.

2. The Government accept the explanation of the Executive Engineer, Chingleput Division, that the delay complained of was due to the state of transition of the department during the period in question.

3. It would however seem that the whole of the delay and correspondence which have taken place might have been avoided if Mr. Fox's accounts had been carefully made out before he left this Presidency.
