For order

With reference to the
to his remark on the
absence of a specific
report attached to the
Estimate in this case
showing the necessity for
the work for I may
mention that although
I had long since taken
notice of the absence of
such Reports, it was
difficult to have left chiefly
to general considerations
in the subject of
adhering to Code rules
rather than to any
specific orders - These
I hesitated to issue
till the whole of our
departmental forms were
in readiness for issue
to the Department (as they
are nearly now are) when
I proposed to direct
that all Estimates
which were incomplete

Cir 16.9.80. Ret 21-9-80

in this or other report
 should be returned at
 once to the framers in
 revision, arrangements
 are however now being
 made in Calcutta
 to the subject of Chief
 Engineer Circulars and
 I hope are only those
 will be little to complain
 of in this respect-

As regards the project
 immediately in question
 I beg to draw the attention
 of the H.M. to the fact
 that it was referred
 to the Judicial Department
 and approved of under
 the signature of the
 Chief Secretary: the
 necessity for the work
 was then accepted by
 this Department
