Read the following papers:—

No. 5. From Lieutenant-Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, First Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 1st October 1880, No. 2,057.

With reference to G.O., No. 1,464 W., dated 23rd June 1880, and G.O., No. 1,738 W., dated 28th July 1880, I have the honor to report that the erection of the huts for 120 recruits at Vizagapatam was commenced upon the sanction given in the Military Department, but the work has been stopped, after being far advanced, under the instructions conveyed by the

No. 3,605 of 10th June.

No. 4,224 of 7th July.

Officer Commanding at Vizagapatam in his letter, dated 3rd September 1880, to the Executive Engineer, Vizagapatam (copy enclosed).

2. The approximate cost of the huts as sanctioned in G.O., No. 1,738 W., dated 20th July 1880, is Rs. 870. Liabilities have been incurred in labor and materials to the amount of Rs. 641-0-11, and I request that an allotment of Rs. 641 may be given for the adjustment of the accounts.

3. The sheds are left in an incomplete state, and there are materials which have cost Rs. 143-9-6 lying unused. I have not received any orders for the discontinuance of the work, but I understand that it is now decided that there is not to be a dépôt at Vizagapatam; and I beg to be informed whether the materials at site shall be sold, and also if the incomplete sheds should be dismantled and the materials sold.

From Lieutenant-Colonel H. Sr. M. WYNCH, Commanding Vizagapatam and Waltair, Northern District, to the Executive Engineer, Vizagapatam Division, dated Vizagapatam, 29th July 1880, No. 382.

With reference to your letter, No. 1,290, of the 28th instant, with copy from the Superintending Engineer enclosed, I have the honor to invite your attention to the fact I made known to you, viz., that the Quartermaster-General had telegraphed to me that no temporary sheds were to be built for recruits till I received orders.

2. The plan and estimate are returned, and I very much doubt whether the Government will sanction such a very large outlay.
