As appear from para 2 of
the Supt's letter that
there has been some
correspondence with the
Assty office regarding these
works. It may perhaps
be as well to call for
this before disposing
of the Estimates. The
works are not urgent.

No 266 of 6th Aug/80

Memo:

25

The Supt^t of Works,
Presidency, is requested to
afford early information
in regard to the under-
mentioned Military major
works ^(at Bangalore) which have been
proposed for entry in the
P.W. Budget for 1881-82,
giving attention to the remarks
made in each case

(1) Sappers & Miners - Latrine
for the regiment, two for
males and two for females.
This work was included
in the 1878-79 budget, but
the appropriation was with-
drawn by G.O. No 3899 W of
5th Octr 1878. The officer
commanding remarks as

follows, "sanctioned, but pending decision on plan, execution has been delayed."

The Suptt is requested to submit detailed estimate and plan quickly, explaining what is the doubtful point in regard to the plan.

(2). Improvements to Dunsin tank. It should be reported what progress has been made on the estimate of Rs 1420 for draining the swamp, execution of which was authorized in Chief Engineer's Memo: No 473

of the 10th of Feb. last and the Supt. of W should see that the work is completed within the current year. The general drainage of the tank is to be deferred. Opportunity is taken of enclosing copy of G.O. No 1217 W of the 21st May 1880, and of letter to

the Chief Commr of Mysore No 1218 W of the same date.

(3) & (4). European Infantry-Quarters for Schoolmaster and Schoolmistress (estimate Rs 6810).

To complete parapet wall round parade barracks (estimate Rs 7000).

Estimates do not appear to have been sanctioned for these works. It should be stated whether they are under preparation, and when they will be sent in.

(5) New Armourer's shop-Parade barracks (Estimate Rs 4670). Estimate for this work, which is to be on the standard plan, should be submitted.

(6) Field batteries R.A. New gran shed for one battery (estimate Rs 3000). Also

follows, "sanctioned, but pending decision on plan, execution has been delayed."

The Supt^t is requested to submit detailed estimate and plan quickly, explaining what is the doubtful point in regard to the plan.

(2). Improvements to Dumbarton tank. It should be reported what progress has been made on the estimate of No 1420 for draining the swamp, execution of which was authorized in Chief Engineer's Memo: N^o 473

of the 10th of Feby last and the Supt. of W should see that the work is completed within the current year. The general drainage of the tank is to be deferred. Opportunity is taken of enclosing copy of G.O. N^o 1217 W of the 21st May 1880, and of letter to

the Chief Commr of Mysore N^o 1218 W of the same date. 3587/6

(3) & (4). European Infantry-Quarters for Schoolmaster and Schoolmistress (estimate Rs 6810).

To complete parapet wall round parade barracks (estimate Rs 7000).

Estimates do not appear to have been sanctioned for these works. It should be stated whether they are under preparation, and when they will be sent in.

(5) New Armourer's shop-Parade barracks (Estimate Rs 4670). Estimate for this work, which is to be on the standard plan, should be submitted.

(6) Field batteries R.A. New gran shed for one battery (estimate Rs 3000). when
