GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

8th November 1880, No. 2,564 W.

Buildings and Roads.
Civil Works.

Read the following papers:—

No. 35. From J. W. RUNDALL, Esq., Superintendent of Works, Kistna to the Chief Engineer, Public Works Department, dated Bezvada, 18th September 1880, No. 1,163.

In reply to paragraph 3 of G.O., No. 2,010 W., of the 25th August, I have the honor to state that the estimate for the road from Narsaraopet to Vinukonda was forwarded by the late Guntur Division Officer, to the late Superintending Engineer, Second Circle, at Bellary, in November last.

2. The Guntur Division was abolished and its records transferred to Nellore, which was then attached to the late Second Circle.

3. I am unable to state whether the estimate in question has since been forwarded to the Local Fund Board and sanctioned, but probably the Superintending Engineer present First Circle will be able to give the necessary information.

No. 35-A. From Lieutenant-Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, First Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 29th October 1880, No. 2,338.

In reply to your reminder, No. 2,010-1, dated the 22nd instant, I have the honor to report, upon paragraph 5 of Major Filgate's Note in G.O., No. 2,010 W., of the 25th August, that the roads in the Kistna District from Narsaraopet to Vinukonda, and from Vinukonda to Cumbum, were not in my Circle in the year 1878-79. A part of Guntur was amalgamated with Ongole in November 1879, but there was no expenditure.

2. An estimate of Rs. 73,095 was sent for the first of these roads to the President of the Local Fund Boards in the Kistna District on the 22nd July last. The estimate for the second road was sanctioned afterwards, as stated in the Note.

3. Likewise the excess over estimates on the two roads, from Voleru to Nizampatnam and from Iylur to Guntur, was incurred when no part of the Kistna District was in my Circle, and the roads are not now and were at no time in my Circle.

4. I have given explanation upon paragraph 6 of the Note in my letter No. 2,093 of the 4th instant.

No. 36. ORDER THEREON, 8th November 1880, No. 2,564 W.

COMMUNICATED to the Financial Department with reference to paragraph 3 of the orders of the 25th August 1880, No. 2,010 W. It will rest with the Local Fund Board of the Guntur Circle to take measures for the removal of any technical objections which may still exist to the admission of the expenditure on the roads in question.
