Read the following paper :—

No. 19. From A. B. SAMPSON, Esq., Under Secretary to the Government of India, Public Works Department, (Civil Works—Irrigation,) to the Secretary to the Government of Madras, Public Works Department, Irrigation Branch, dated Simla, 15th November 1880, No. 356 I.

In reply to your letter No. 2,279 W., of the 1st October last, regarding the classification of the Buckingham Canal, I am directed to say that, as the canal is clearly a work of navigation, it must be dealt with under the head "Irrigation and Navigation." It was never contemplated to class the project as a Productive Public Work, but all works for navigation only not so classed must find a place under the head "Irrigation and Navigation."
