GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

7th December 1880, No. 2,825 W.

General.
Account.

Read the following paper:—

No. 35. From Major D. H. TRAIL, R.E., Officiating Examiner, Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 24th November 1880, No. 154 W.

In forwarding the accompanying report of the dates on which the accounts are received, I have the honor to bring to your special notice that from sixteen divisions out of twenty-four the accounts have been received in this office after time. I request the favor of your issuing such instructions to the Executive Engineers as will ensure the receipt of the accounts in this office on the 20th of the month succeeding that to which they refer.

No. 36. ORDER THEREON, 7th December 1880, No. 2,825 W.

It appears from the statement attached to this order that of the twenty-four separate sets of accounts which have to be submitted to the Examiner only two (those of the Consulting Architect and Vizagapatam) are habitually punctual, and three others (those of the Presidency Workshops, Coimbatore, and South Arcot) have not been late oftener than twice in six months.

2. The remaining nineteen have been late from three to six times, the twelve named in the margin having been invariably late. The worst cases appear to be the West Coast, Cuddapah, Salem, Kistna Eastern and the two Godavari Divisions, which are on an average six to eight days behind time.

3. The Superintending Engineers and Superintendents of Works concerned will report fully upon the causes which lead to delay, with special reference to the twelve divisions named in the margin of the last paragraph, and the steps which

they propose to take to secure the more punctual submission of the accounts in future.
