Read the following paper :—

No. 50. Endorsement of the Superintending Engineer, Second Circle, dated Coimbatore, 26th November 1880, No. 407.

From J. HANNAN, Esq., Executive Engineer, Coimbatore Division, to the Superintending Engineer, Second Circle, dated Coimbatore, 23rd November 1880, No. 868/482.

With reference to your endorsement No. 2,216 C.I. of 27th ultimo, I have the honor to inform you that the assumption that the two buildings—

(1.) Forest Overseer's office, and

(2.) Record-room Post office,

are at Bhavani is not correct. The former is at Bhavani and the latter at Erode.

Forest Overseer's Office at Bhavani—This building was constructed in 1867-68 by the Forest Department from the funds at their disposal, and is occupied as an office since 1868. In fact this building found no place in the annual returns of buildings of this district until 1878. Somehow in the late Perundurai, afterwards Erode, Division this building was for the first time shown in the return for the half-year ended 30th September 1878.

Travelling Record Post Office, Erode, with out-houses was constructed by this department at an outlay of Rs. 3,100—*Vide* G.O., No. 2,794 of 2nd October 1874. The building is occupied as an office and residence of the Record Clerk (Postmaster) ever since its completion.

FORWARDED to the Chief Engineer, with reference to his memorandum No. 2,377, dated 23rd October.

2. It is clear that the two buildings in question should not appear in the books of the Public Works Department, as they are in the charge of the Forest and Post Office Departments respectively. Permission is therefore requested for the buildings in question to be struck out of the books.
