THE SECRETARY TO THE GOVERNMENT OF INDIA,

Public Works Department.

SIR,—In forwarding the accompanying application from Major A. F. Fraser, R.E., for extension of special leave, and for an amended Last Pay Certificate from the 15th February next, the date on which his compensation allowance from the Mysore Government will cease, I am directed to point out that, if it is intended that Major Fraser should draw anything beyond the pay of a British Officer during the six months' leave he has applied for, and which will be recommended to the Secretary of State, it will be necessary to assign Major Fraser some departmental grading.

2. His Grace the Governor in Council is of opinion that Major Fraser is fairly entitled to look for grading in the position which he held in the Mysore Province, viz., Executive Engineer, 2nd grade, and I am to recommend that this may be authorised with effect from the 15th February next.

I have the honor to be,

Sir,

Your most obedient servant,

Major, R.E.,

India recorded in Proceedings of Madras Government quoted above. Major Fraser's allowances have apparently been restricted to a period of 18 months only. I would therefore request the favor of being informed whether Major Fraser can be granted the extension of leave he asks for, with the furlough pay of an Executive Engineer of the 2nd grade and, also whether the leave can be granted by His Excellency the Commander-in-Chief, seeing that the extension of leave notified in G.O.C. page 172 of 1880 was given by the Secretary of State although the original leave was granted by His Excellency the Commander-in-Chief vide G.O.C. page 361 of 1879.
