GOVERNMENT OF INDIA.

PUBLIC WORKS DEPARTMENT.

GENERAL.

R1
29/9/80

To,

The Secretary to the Govt of Madras.
Public Works Department.

Simla 30th September 1880.

Sir,

In reply to your letter No. 2125 W
of 9th September 1880, submitting for sanc-
tion a Tabular Statement showing the
grading of the Office Establishment of
the Consulting Engineer's Office, Madras
I am directed to observe that it is
not understood what is meant by the
statement that "the grading is in accord-
ance with the provisions of the P.W.
"code". The mean pay shown in the
(2) statement has not been calculated

in

Madras 8 December 1880

Note.

No 313

With reference to the letter from the Government of India dated 30 September 1880, No 16939, the undersigned has the honour to report as follows:—

(a) The expression "the grading is in accordance with the provisions of the Public Works Code", as contained in this Government letter No 2125 W dated 9 September 1880, was apparently intended to mean that the classes and grades of clerks proposed are in accordance with the classification of clerks adopted for this Presidency in Chapter I, paragraph 23, of the Madras Rules.

in accordance with the rules laid down by the Finance Department; nor has it been stated whether the clerk of the Deputy Consulting Engineer's Office has or has not been included in the statement submitted, this should now be stated.

P.W.D.

I am to add that clerks on fixed salaries can only enter an incremental scale on the minimum of the grade.

No. 459

It seems to the Government of India, as at present informed, that the change proposed is unnecessary.

For remarks

I have the honor to be,
Sir,

S.

Your most obedient servant,

W. Sampson

in Public Works Code.

by (b) According to Financial
Department Resolution No 325,

Dated 12th January 1872, the average

monthly cost of a member of
the ministerial establishment

is arrived at by adding three-
fourths of the difference between
the minimum and maximum

pay of a grade to the minimum

pay of that appointment, but

this procedure does not appear to
have been adopted in this

Presidency.

(c) The clerk of the Deputy Con-

sulting Engineer's office is in-

cluded in the statement sub-

mitted.

(d) The salaries to be drawn on
the

the adoption of the incremental
scale have been regulated in
accordance with the provisions
of G.O. 12th July 1880, No 1636W.
The method adopted appears to
be just, and having been ap-
plied to other branches of the
Public Works Department, it is
hoped that the Government of
India will, on reconsideration,
be pleased to extend its applica-
tion to this office. On this prin-
ciple the increments to a clerk
drawing more than the mini-
mum salary of his grade are
allowed to date from the 1st April
succeeding his appointment to
the present rate of salary,
subject to the proviso that he
shall

in shall continue to draw the same
by pay until he becomes, under
the operation of this rule, en-
titled to a further increment.
